### **INFINITY LOST**

---

**Amazon Children's Publishing** *In the near future, one corporation, Blackstone Technologies, has changed the world: no disasters, no poverty, and life-altering technology. Blackstone has the impunity to destroy--or create--as it sees fit. Infinity "Finn" Blackstone is the seventeen-year-old daughter of Blackstone's reclusive CEO--but she's never even met him. When disturbing dreams about a past she doesn't remember begin to torment her, Finn knows there's only one person who can provide answers: her father. After Finn and an elite group of peers are invited to Blackstone's top-secret HQ, Finn realizes she may have a chance to confront her father. But when a highly sophisticated company AI morphs into a killing machine, the trip descends into chaos. Trapped inside shape-shifting walls, Finn and her friends are at the mercy of an all-seeing intelligence that will destroy everything to get to her. With no hope of help, Finn's dream-memories may be the only chance of survival. But will she remember in time to save her own life and the lives of those around her?*

## **INFINITY REBORN**

---

**Amazon Children's Publishing** *Perfection has its price, and humanity is about to pay...unless seventeen-year-old Finn Blackstone can stop the looming threat. Her father, a brilliant but mad global tech tycoon, has deemed humanity too flawed to tolerate, and he's determined to pave the way for a superior species. Finn is the only one capable of foiling his apocalyptic schemes, but she's being held captive--not only physically but also by the dark secrets and darker impulses within her own fractured mind. Though her allies are dwindling and she has been betrayed by those she trusted most, Finn makes a desperate attempt to free herself and races to save humanity from total annihilation. To succeed, she must finally accept the truth about what she really is--and embrace the terrifying power she has possessed all along.*

## **LOST IN SPACE: RETURN TO YESTERDAY**

---

**Hachette UK** *A thrilling, original novel based on Netflix's smash hit Lost in Space! This all-new story focuses on 11-year-old Will Robinson and his closest friend and greatest protector--a mysterious Robot with a dangerous past. Thirty years in the future, Earth has become increasingly more uninhabitable, and a group of colonists--including Will, his two teenage sisters, and their parents--travels across the galaxy to establish a new home. But when the ship is attacked, the Robinsons are stranded on an alien planet where they must contend with disastrous technical issues, a hostile environment, and dangerous personalities to get off world and reach their colony. One day, while exploring a remote complex of caves with his Robot, Will discovers a strange portal that allows him to travel back to Earth--to a time before the Robinsons left on their mission. Realizing the portal could be a way for the colonists to escape the planet and finally make their way to their new home, Will and his sisters decide to investigate it, triggering a series of events that not only changes their reality, but threatens the group's very existence. With the beings who created the portal in pursuit, Will must find a way to right the wrongs of the past and save his family's future. © 2019 Legendary. All Rights Reserved.*

## **THE MUCH-LOVED HIT FROM THE AUTHOR OF NO.1 BESTSELLING BLOCKBUSTER THEY BOTH DIE AT THE END!**

---

**Simon and Schuster** *From the author of the INTERNATIONAL NO.1 BESTSELLER THEY BOTH DIE AT THE END. Balancing epic and intensely personal stakes, the New York Times bestselling Infinity Son is a gritty, fast-paced adventure about two*

brothers caught up in a magical war generations in the making. Growing up in New York, brothers Emil and Brighton always idolized the Spell Walkers—a vigilante group sworn to rid the world of specters. While the Spell Walkers and other celestials are born with powers, specters take them, violently stealing the essence of endangered magical creatures. Brighton wishes he had a power so he could join the fray. Emil just wants the fighting to stop. The cycle of violence has taken a toll, making it harder for anyone with a power to live peacefully and openly. In this climate of fear, a gang of specters has been growing bolder by the day. Then, in a brawl after a protest, Emil manifests a power of his own—one that puts him right at the heart of the conflict and sets him up to be the heroic Spell Walker Brighton always wanted to be. Brotherhood, love, and loyalty will be put to the test, and no one will escape the fight unscathed. Praise for *Infinity Son*: 'A magnificent addition to the ranks of Young Adult fantasy' *Waterstones* 'Silvera shoots off his plot like a gun and writes action sequences as if they were car chases — relentless, quick-cutting, sparks flying' *New York Times* 'Silvera has created an exciting fantasy series opener. Fans of Cassandra Clare ... will love this magical book that embodies it all.' *School Library Journal*

## **STAR TREK: MYRIAD UNIVERSES #1: INFINITY'S PRISM**

---

**Simon and Schuster** *It's been said that for any event, there are an infinite number of possible outcomes. Our choices determine which outcome will follow, and therefore all possibilities that could happen do happen across countless alternate realities. In these divergent realms, known history is bent, like white light through a prism -- broken into a boundless spectrum of what-might-have-beens. But in those myriad universes, what might have been...is what actually happened. A Less Perfect Union: More than a hundred years after the Terra Prime movement achieved its dream of an isolationist Earth, humanity is once again at a fork in the river of history...and the path it follows may ultimately be determined by the voice of a single individual: the sole surviving crewmember of the first Starship Enterprise.™ Places of Exile: Midway through Voyager's journey across the galaxy, Captain Kathryn Janeway and Commander Chakotay must choose whether to brave a deadly war zone or abandon their quest for home. But an attack by Species 8472 cripples the ship, and the stranded crew must make new choices that will reshape their destinies...and that of the Delta Quadrant itself. Seeds of Dissent: Khan victorious! Almost four centuries after conquering their world, genetically enhanced humans dominate a ruthless interstellar empire. But the warship Defiance, under its augmented commander, Princeps Julian Bashir, makes a discovery that could shake the pillars of his proud civilization: an ancient sleeper ship from Earth named the Botany Bay.*

## THE STARFARERS SERIES BOOKS 1-2

---

---

### STARFARERS \* TRANSITION

---

**Open Road Media** *The first two books in “the most important series in science fiction” from the New York Times–bestselling author of Dreamsnake (Ursula K. Le Guin, author of the Earthsea series). Starfarers The Starfarer is a self-sufficient spaceship with a functioning ecosystem, able to navigate from one star system to another via cosmic string, and it is about to embark on a deep space expedition in search of alien contact. Its global crew has come together in the spirit of cooperation and scientific advancement. But Earth struggles with anti-science and anti-technology factions, and there are those who want to turn the Starfarer into a military base. One of them is on board. And he will stop at nothing—including sabotage—to enforce his agenda . . . Transition After the crew members of the Starfarer hijack their own ship, they intercept an alien message and attempt to decipher its complex patterns. It could be an introduction, a warning, or a trap. In Tau Ceti, the first star system humans have ever visited, they discover worlds possessing life but no higher forms of intelligence. And with a saboteur still in their midst, tensions rise as the ship and its team hurtle toward a meeting more than three millennia in the making . . . Praise for the Starfarers Series “McIntyre is a master SF stylist, creating well-rounded, believable and distinctive characters, and she excels at lush descriptions that allow the reader to visualize the action.” —Publishers Weekly “The series features a diverse cast, especially for its 1989 debut date, and a series of interstellar hijinks, the likes of which only McIntyre could conjure.” —Tor.com “A fine novel of adventure.” —Greg Bear on Starfarers “The most exciting and satisfying science fiction I have read this year.” —Ursula K. Le Guin on Metaphase*

## THE INFINITY OF YOU & ME

---

---

### A NOVEL

---

**St. Martin's Griffin** *“The clever, fast-moving plot features a strong, appealing heroine, Sylvia Plath's poetry, romance, betrayal, and heart-stopping suspense.” - Kirkus Reviews “This ambitious sci-fi novel, filled with multiverses and what-ifs... contains complex world building that would appeal to fans of TV's Orphan Black.” - Booklist Almost fifteen, Alicia is smart and funny with a deep connection to the poet Sylvia Plath, but she's ultimately failing at life. With a laundry list of diagnoses, she hallucinates different worlds—strange, decaying, otherworldly yet undeniably real worlds that are completely unlike her own with her single mom and one true friend. In one particularly vivid hallucination, Alicia is drawn to a boy her own age named Jax who's trapped in a dying universe. Days later, her long-lost father shows up at her birthday party, telling her that the hallucinations aren't hallucinations, but real worlds; she and Jax are bound by a strange past and intertwining present. This leads*

her on a journey to find out who she is while trying to save the people and worlds she loves. J.Q. Coyle's *The Infinity of You & Me* is a wild ride through unruly hearts and vivid worlds guaranteed to captivate.

## INFINITY ENGINE

---

---

### TRANSFORMATION: BOOK THREE

---

**Pan Macmillan** *Infinity Engine* is the third and final novel in the Transformation trilogy by bestselling science fiction author Neal Asher, following *Dark Intelligence* and *War Factory*. A man battles for his life, two AIs vie for supremacy and a civilization hangs in the balance . . . Several forces now pursue rogue artificial intelligence Penny Royal, hungry for revenge or redemption. And the Brockle is the most dangerous of all. This criminal swarm-robot AI has escaped confinement and is upgrading itself, becoming ever more powerful in anticipation of a showdown. Events also escalate aboard the war factory. Here Thorvald Spear, alien prador, and an assassin drone struggle to stay alive, battling insane AIs and technology gone wild. Then the Weaver arrives - last remnant of a race that died out two million years ago. But what could it contribute to Penny Royal's tortuous plans? And beyond the war factory a black hole conceals a tantalizing secret which could destroy the Polity. As AIs, humans and prador clash at its boundary, will anything survive their explosive final confrontation? 'Transcends the borders of morality, existence, and spacetime itself' - Publishers Weekly

## ANACHRONIST

---

Have you ever wished you could go back and change the past? Joshua Jones has many times. He's spent the last five years trying to forget one tragic day - the day his best friend died in a car crash. Fate has not been kind to Josh, in all of his seventeen years he has never really had any luck. He's not a bad kid; bad things just seem to happen to him. That is until the day he breaks into the house of the local eccentric, the Colonel, and discovers that he's a watchman for the Oblivion Order, a secret organisation of time travellers. *Anachronist* follows Josh's journey through the untrodden paths of history as he learns more about his abilities. The colonel teaches him how to use historical artefacts to reach key points in the past, and introduces him to other members of his Order. He meets Caitlin and her friends, their mission to maintain the time continuum - and the dark forces that exist beyond it. However, just as Josh begins to feel like he belongs, his past comes back to haunt him and he is forced to face the personal demons that he has buried for so long...The first book in *The Infinity Engine Series*, *Anachronist* explores the strange and unusual world of the Oblivion Order.

## SPLIT INFINITY

---

**Del Rey** On the technological, decadent world of Proton, someone was trying to destroy Stile, serf and master Gamesman. His only escape lay through a mysterious "curtain" revealed by a loving robot. Beyond the curtain lay Phaze—a world totally ruled by magic. There, his first encounter was with an amulet that turned into a

*demon determined to choke him to death. And there, he soon learned, his alternate self had already been murdered by sorcery, and he was due to be the next victim. "Know thyself!" the infallible Oracle told him. But first he must save himself as he shuttled between worlds. On Proton, his fate depended on winning the great Games. On Phaze, he could survive only by mastering magic. And if he used any magic at all, the werewolf and the unicorn who were his only friends were determined to kill him at once!*

## **INFINITY CHRONICLES BOOK ONE: A PARANORMAL REVERSE HAREM SERIES**

---

**Infinity Chronicles** *New town, new school. Same story. I'm Laura, I've spent most of my life crisscrossing the county yielding to the whims of my transient mother. We've never stayed in one place long enough to call it home, and I don't have any hope of that changing. I follow the rules; no drawing attention to myself, no friends, and especially no boys. But my mom's been keeping secrets, secrets so profound they threaten to turn my world upside down. I've always assumed her paranoia was a symptom of a mental illness, but as her secrets begin to unravel, I realize nothing is what it seems. As my life careens out of control a group of guys from school promise to give me answers about who I really am. I'm afraid of what I might learn, but more afraid of what I could be giving up if I don't listen. Reverse Harem MMFM*

## **MILTON'S LATE POEMS**

---

---

## **FORMS OF MODERNITY**

---

**Cambridge University Press** *Upending conventional scholarship on Milton and modernity, Lee Morrissey recasts Paradise Lost, Paradise Regained, and Samson Agonistes as narrating three alternative responses to a world in upheaval: adjustment, avoidance and antagonism. Through incisive engagement with narrative, form, and genre, Morrissey shows how each work, considered specifically as a fiction, grapples with the vicissitudes of a modern world characterised more by paradoxes, ambiguities, subversions and shifting temporalities than by any rigid historical periodization. The interpretations made possible by this book are as invaluable as they are counterintuitive, opening new definitions and stimulating avenues of research for Milton students and specialists, as well as for those working in the broader field of early modern studies. Morrissey invites us to rethink where Milton stands in relation to the greatest products of modernity, and in particular to that most modern of genres, the novel.*

## INFINITY BLADE

---

### AWAKENING

---

*Trained from birth in swordplay and combat, a young knight named Siris has journeyed to the Dark Citadel with a single purpose: fight through the army of Titans to face the tyrannical God King in one-on-one combat. This was his father's sacred mission, and his father's before him, going back countless generations in an effort to free their people from enslavement. But when Siris somehow succeeds where all those from his bloodline previously have failed, he finds himself cast into a much larger world, filled with warriors and thieves, ancient feuds and shifting alliances, Deathless immortals and would-be kings. His quest for freedom will take him on an epic journey in search of the mythical figure known as the Worker of Secrets - the one being in the world who can unravel the secrets of the Infinity Blade.*

---

### THE END OF INFINITY

---

**Simon and Schuster** *Jack Blank confronts his destiny in this action-packed conclusion to the trilogy Publishers Weekly calls a “no-holds-barred adventure.” Ever since Jack Blank learned that he came from the amazing country of the Imagine Nation, he’s known that his fate could go down two very different paths—he could either be the greatest hero the world has ever known, or its greatest villain. Now the final battle is here, and it’s time for Jack to discover the direction of his destiny. The action-packed trilogy concludes with more surprises, twists, and adventure than ever—along with the same humor and heart that has brought so many fans to Jack’s story.*

### STEALING INFINITY

---

**Entangled: Teen** *Paste Magazine Pick for Best New YA Books of June 2022 An Amazon Best Book of the Month “An unputdownable, clever, modern fantasy!” —#1 New York Times bestselling author Tracy Wolff “Alyson Noel is the queen of the supernatural romance thriller, and her latest is a can’t-miss read—it’s a Da Vinci Code meets Riverdale page-turner!” —#1 New York Times bestselling author Melissa de la Cruz “Addictive, dangerous, sexy, and magical, I couldn’t turn the page fast enough! Alyson Noël is a mad genius.” —Mary Pearson, New York Times bestselling author of The Remnant Chronicles “A sizzling story of opulent adventure, forbidden love, and impossible choices, Stealing Infinity is unputdownable.” —New York Times bestselling author Kristin Harmel “Stealing Infinity is a brilliantly conceived time-travel adventure full of twists and turns, with a romance that had me hooked. A must-read!” —Alexandra Monir, international bestselling author of The Final Six* *These days, I’ve been killing it when it comes to letting people down. Now I’ve been kicked out of high school, arrested, and accepted into a remote, off-the-grid school owned and operated by an inscrutable billionaire tech guru. Gray Wolf Academy is looking for a certain kind of student. Ones that no one will miss. Like me. Then there’s Braxton. The beautiful, oddly anachronistic guy who showed up right when the trouble started. And he’s a total enigma—which means that I definitely can’t trust him, even if there’s something about him that makes me want to. They all tell*

me I have a gift. A very rare gift. And Gray Wolf Academy wants me to learn it. To use it. Because if what they say is true, I have all the time in the world. And that makes me the most dangerous high school student you'll never know... The Stealing Infinity series is best enjoyed in order. Reading Order: Book #1 Stealing Infinity Book #2 Ruling Destiny

## PALE MOON, SEASON 1, EPISODE 8: INFINITY

---

**R T Green** *"Loving someone isn't supposed to be this hard. Neither is killing them." Pale Moon is the heart-wrenching story of two lost souls, who didn't believe they could experience true love. Of two people, so far apart they are in different galaxies, who somehow stumble into discovering each other's hearts. It's a dangerous, unstoppable roller-coaster of a journey. An MI6 shadow assassin and a beautiful terrorist are thrown together in the midst of a terror threat, the like of which London has never seen before. Neither of them could know what horrors lie in wait, or that their first meeting is just the beginning of an epic fight for survival. For them, and everyone else. Pale Moon is brought to you in two seasons of eight novella episodes each, telling Gerard and Zana's incredible story... two lost souls who must save each other, in order to save millions of lives. This is season 1, episode 8. Tiri's horrific plan takes a new turn, and Gerard has no choice but to see it through to the end. Zana and the team make a desperate attempt to rescue him, but then the Calanduran queen plays her final, devastating card. When the fallout settles, once more an impossible decision must be faced. Read about Pale Moon, and the concept, at [rtgreen.net](http://rtgreen.net). A note from Richard - Pale Moon is a completely re-edited and restructured version of the original series (and its alternative 'sister' series, Red Mist), so although totally remodelled for 2021, the bones of the stories are the same. If you've read Pale Moon or Red Mist before, then basically you already know the story! We wouldn't want you to read the same story twice (unless you really want to!) We've priced the novella-length episodes sensibly. There are two seasons, with eight episodes in each one. Each episode is somewhere either side of 25,000 words long, and to get the best from the series, they really should be read in order. Like a TV serial, they are chronological. Those of you familiar with the RTG brand know we're always up for different! And for sure this is a slightly different style of storytelling. We hope Gerard and Zana's heart-stopping journey will keep you travelling with them to the end. Pale Moon is romantic suspense at its finest, with espionage and a little sci-fi blended together to bring you a story of courage, danger, and the power of true love. Enjoy!*

## HIDEAWAY ISLE COMPLETE SERIES BOOKS 1-4

---

**Standards of Starlight** Reeling and in shock after witnessing a gruesome accident, Margot fled her home state of Florida, choosing a path that would take her far away from the pain. She left everything behind, including her little sister, Lottie. Now, seven years later, mysterious happenings on the island lead Margot to the realization that she must return home and face the ghosts of her past. All four suspense-filled novels in Kelly Utt's gripping Hideaway Isle series— together in one ebook package with a bonus short story prequel! About this set: 1. THE SISTERS OF KESTREL CAY

*Margot ran away from the scene of a terrible accident... but she can't run forever in this suspenseful tale of dark secrets and sisterhood. Will Margot and Lottie have what it takes to protect each other? Can Lottie forgive Margot for running away?*

**2. THE GIRL IN HIDEAWAY PARK** Basia Guthrie has always been a loner. Abandoned by her father, then ignored and neglected by her mom and a handful of detached stepparents, she grew up knowing the only things she could count on were her own smarts and ingenuity. Are Basia's psychic abilities real? Will she be savvy enough to avoid getting in over her head? And what does it all mean for other residents of the island?

**3. THE MAN AT NIMBUS MARINA** Rags Bertram is a man with a past. But he isn't one to boast about it. A former soldier in the U.S. special forces, Rags came to the island and bought an old marina to stay off the grid and out of trouble. Will Rags realize the seriousness of a looming threat in time? Will he have the courage to turn back to his old way of doing things? And who will become a casualty and take the fall?

**4. THE WOMAN ON SEAGLASS LANE** Annie Langley moved south for a slower pace and warmer weather that would sooth her New York bones. Little did she know just how intensely the island would take hold of her. Will Annie find the courage to remain open to unexpected experiences and opportunities? Will the past she'd hoped to escape resurface? And will her own life change beyond recognition in the process?

About the Hideaway Isle series: It's paradise on the sparkling tropical shores of Hideaway Isle, Florida. A place where vacationers go to get away and residents enjoy year-round luxury. Despite postcard-worthy appearances, there's trouble in paradise. Lurking just beyond the sun, sand, and sea are threats that promise to wreak havoc in this seemingly idyllic utopia. With riveting turns that will leave you breathless, each Hideaway Isle novel features a deep dive into the ongoing story, told from a different islander's point of view. Author's Note: The stories in the Hideaway Isle Series are intertwined. Emotions build, mysteries deepen, and secrets are revealed as you read the series in its entirety.

None of them have ever checked out. Peter Childress and Charlie Womack are successful engineers on their way to Phoenix for an important presentation. But one of Charlie's infamous "shortcuts" has gotten them good and lost once again. As night falls, the pair stumble across the Infinity Hotel and the promise of a meal, fuel and a good night's sleep before starting off fresh in the morning is too good to pass up. But while Charlie immediately takes to the hotel's amazing amenities, Peter begins to uncover some of the hotel's dark secrets - a seemingly unlimited number of floors, guests that appear out of time and place and a next morning that never seems to come. Worse still, the entrance to the Infinity has disappeared and no other apparent exit back to the outside world is in sight. Now, under the watchful eyes of the hotel's manager and front desk clerk, Peter searches for a way back out and uncovers the horrible truth behind the mystery of the Infinity Hotel.

## **WOLF 359 COMPLETE SERIES BOX SET (BOOKS 1-5)**

---

**Trimble Hollow Press** pdmac has created a fully imagined universe of great scope and clarity. This series introduces us to unforgettable characters... and a mystery of interstellar proportions.... Characters are purposely flawed and meticulously drawn. Beginning with the survivor of a shipwreck in space who has enough quirks to keep you guessing, the story spins its web in which you soon find yourself caught. Ambitious, literate, and insightful, if you like your epics chock full of surprises and ever mindful of the humanity's flaws and graces, you'll find Wolf 359 to your taste. Part sf, part fantasy, part epic, this adventure is only beginning.... - Amazon

*Reviewer The spaceship destroyed, his family murdered, Duncan finds himself stranded on a planet circling Wolf 359. Along with the only other survivor, a beautiful gladiator named Alexis, they encounter a civilization whose past reaches back only 1500 years. Their fortune stumbles from the start when Alexis is immediately forced to fight the nation's berserker who underestimates his opponent, and pays dearly for it. Yet no sooner is she awarded his position, title, and wealth when she is called upon to lead the nation's warriors in the first full scale battle she has ever experienced, against an enemy who take no prisoners. With the very real possibility of Alexis never returning, Duncan is left alone to fend for himself. Calling himself a wizard of the universe, he is brought before the Council of Prelates to explain his obvious heresy. Deftly answering their questions, he throws caution to the wind and challenges the nation's high priest, Vix, to a contest of divine favor. The one who calls down thunder and lightning from the sky is the chosen one of God and becomes the nation's high priest. The loser dies. Angry and nervous to be cornered into an arrangement that might reveal his own heresy, Vix quickly decides to preempt the contest by having Duncan murdered. Though he survived a destroyed spaceship, can Duncan now evade assassins? Can he really call down thunder and lightning?*
