"Loneliness is killing me. I need a bro." A few months after moving for his first real job, Price still hasn't managed to make friends in his new city. No one here understands his football-playing, beer-drinking ways, and the oppressive solitude drives him to the online personals. He's not looking for a date, or even for a girl to warm his bed. What he needs more than anything is a bro. "Internet dating isn't really my thing, but I'm too far gone to care." Kingsley just struck out at the gay bar again - if being too shy to approach anyone is called striking out. Despite having good looks and clever wit on his side, he's alone. Still tipsy with only his cat for company, he checks out the M4M ads. In the morning, he agrees to meet up with someone... even if he doesn't remember which ad the guy posted. "Why did he send me a winky face?" Once Price and Kingsley meet up, Price quickly decides they'll be buddies for life. Meanwhile, Kingsley's crushing on him. Will Kingsley figure out Price is straight before falling even harder? Or will Price realize the connection they share goes deeper than friendship? Bro 4 Bro is a 45,000-word standalone friends-to-lovers gay romance, complete with lots of heat and a happily ever after ending.

INSPIRED BY AN IDEA FROM SIOBHAN DOWD

Candlewick Press **NOW A #1 NEW YORK TIMES BESTSELLER!** An unflinching, darkly funny, and deeply moving story of a boy, his seriously ill mother, and an unexpected monstrous visitor. THE DUTCH WIFE

A NOVEL

HarperCollins **Amsterdam, May 1943.** As the tulips bloom and the Nazis tighten their grip across the city, the last signs of Dutch resistance are being swept away. Marijke de Graaf and her husband are arrested and deported to different concentration camps in Germany. Marijke is given a terrible choice: to suffer a slow death in the labour camp or—for a chance at survival—to join the camp brothel. On the other side of the barbed wire, SS officer Karl Müller arrives at the camp hoping to live up to his father's expectations of wartime glory. But faced with a brutal routine of overseeing executions and punishments, he longs for an escape. When he encounters the newly arrived Marijke, this meeting changes their

lives forever. Woven into the narrative across space and time is Luciano Wagner's ordeal in 1977 Buenos Aires, during the heat of the Argentine Dirty War. In his struggle to endure military captivity, he searches for ways to resist from a prison cell he may never leave. From the Netherlands to Germany to Argentina, *The Dutch Wife* braids together the stories of three individuals who share a dark secret and are entangled in two of the most oppressive reigns of terror in modern history. This is a novel about the blurred lines between love and lust, abuse and resistance, and right and wrong, as well as the capacity for ordinary people to persevere and do the unthinkable in extraordinary circumstances.

ELIZABETH PEYTON: AIRE AND ANGELS

National Portrait Gallery Peyton is one of the world's leading contemporary artists. Internationally celebrated, her work has been at the forefront of a re-evaluation of figurative art and the tradition of portrait painting since the 1990s. Curated by Lucy Dahlsen in close discussion with the artist herself, the exhibition and publication comprise around 50 key works which will tour internationally. Known for her psychologically acute portraits, Peyton treats her subjects with a distinctive intimacy, whether they are friends, historical figures, or cultural icons. Her diverse and ever-expanding repertoire of recurring subjects includes Kurt Cobain, Frida Kahlo, Napoleon, Queen Elizabeth II, and David Hockney, among many others. Painted from life, memory and found imagery, her highly stylised portraits combine exquisite technical ability with a sensibility predicated on a sincere emotional connection to her subjects. Beginning with key portraits from the first two decades of her career, the exhibition, which will be the artist's first museum retrospective in the UK for ten years, will investigate the expansions in her work that have unfolded since 2009 and include new works. Peyton's recent works, derived both from life and from a wide range of secondary sources, including film, literature, painting and opera, offer an increasingly complex exploration of portraiture in which the relationship between artist and subject becomes explicit. Exhibition: The National Portrait Gallery, London, UK (03.10.2019 - 05.01.2020).

VAMPIRELLA: 1992 ONE-SHOT

Dynamite Entertainment Ah, the '90s, our strange yet dynamic link between the excess of the '80s and the pretentiousness of the aughts. A time when heroes were born, died and were reborn (again). Amidst all that creative chaos, the form of comics was torn between the muscle bound proliferation of All Things Pouch and the heady brew offered up by the British Comics Invasion. Now, in the long-ago year of 1992, VAMPIRELLA finds herself a vampire trapped between not just two worlds but two genres! When a "bad girl model" hired to portray Vampy at conventions and signings is plunged into a terrorist incident, she's forced to face not just men with nunchucks before her, but the insidious forces roiling beneath the surface of geek culture... and her own dark past. Written by the master of madness, MAX BEMIS, and dually illustrated by the splendorific MARCOS RAMOS and ROBERTO CASTRO, this is a tale sure to delight and challenge in equal measure!

GOING THERE

Back Bay Books Heartbreaking, hilarious, and brutally honest, *Going There* is the deeply personal life story of a girl next door turned household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"---often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma--and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News--a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer--a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly--why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

THE GREEKS

A PORTRAIT OF SELF AND OTHERS

OUP Oxford This book provides an original and challenging answer to the question: 'Who were the Classical Greeks?' Paul Cartledge - 'one of the most theoretically alert, widely read and prolific of contemporary ancient historians' (TLS) - here examines the Greeks and their achievements in terms of their own self-image, mainly as it was presented by the supposedly objective historians: Herodotus, Thucydides, and Xenophon. Many of our modern concepts as we understand them were invented by the Greeks: for example, democracy, theatre, philosophy, and history. Yet despite being our cultural ancestors in many ways, their legacy remains rooted in myth and the mental and material contexts of many of their achievements are deeply alien to our own ways of thinking and acting. The Greeks aims to explore in depth how the dominant group (adult, male, citizen) attempted, with limited success, to define themselves unambiguously in polar opposition to a whole series of 'Others' - non-Greeks, women, non-citizens, slaves and gods. This new edition contains an updated bibliography, a new chapter entitled 'Entr'acte: Others in Images and Images of Others', and a new afterword.

RUNNING AGAINST THE DEVIL

A PLOT TO SAVE AMERICA FROM TRUMP--AND DEMOCRATS FROM THEMSELVES

[Crown Forum](#) **NEW YORK TIMES BESTSELLER** • A savvy guidebook for beating Trump's tricks, traps, and tweets from a founder of The Lincoln Project, now updated with new material on the historic battle between Trump and Joe Biden—and how the pandemic has changed the race “If you believe America's future depends on Donald Trump's political machine being crushed at the polls next year, then Rick Wilson's *Running Against the Devil* is a must-read.”—Joe Scarborough, MSNBC Donald Trump is exactly the disaster we feared for America. Hated by a majority of Americans, Trump's administration is corrupt, inept, and rocked by daily scandals. In the handling of 2020's coronavirus pandemic, its incompetence has been deadly. Trump can't win in 2020, right? Wrong. As 2016 proved, Trump can't win, but Joe Biden can sure as hell lose. Only one thing can save Trump, and that's a Democratic campaign that runs the race Trump wants Democrats to run instead of the campaign they must run to win in 2020. Wilson combines decades of national political experience and insight in his take-no-prisoners analysis, hammering Trump's destructive and dangerous first term in a case-by-case takedown of the worst president in history and describing the terrifying prospect of four more years of Trump. Like no one else can, Wilson blows the lid off Trump's 2020 political war machine, showing the exact strategies and tactics Republicans will use against Biden, and how the Democrats can avoid the catastrophes waiting for them if they fall into Trump's traps. *Running Against the Devil* is sharply funny, brutally honest, and infused with Wilson's biting commentary. It's a vital indictment of Trump, a no-nonsense, no-holds-barred road map to saving America, and the guide to making Donald Trump a one-term president. The stakes are too high to do anything less.
