The Bible is full of fascinating, powerful, and faithful women, as well as lessons that have unique meaning for women today." "In The Women's Study Bible, respected Bible scholars draw out these often overlooked stories and reveal the lives of women at the time and share lessons for women of today. When Your Husband Is Addicted to Pornography addresses the struggles women experience when they are shattered, betrayed, and alone. Writing from personal experience, Vicki Tiede offers daily readings and questions on six important topics: hope, surrender, trust, identity, brokenness, and forgiveness. She helps readers grow in healing and hope in the midst of marriage trials. By describing one of the "hidden sins" in our churches and culture that destroys marriages, the author offers biblical advice on a workable plan of action. She shares the stories of twenty-five women who have known this deep anguish, and she helps bridge the gap in the healing journey so many other materials leave out. She comforts readers and refreshingly points hurt women toward the one who calms the raging seas. Allowing God to meet your greatest needs is a long and learned process, but he promises to help you every step of the way. Questions and daily readings are suitable for both individuals and small groups.
