LEARNING TO D.A.N.C.E. WITH YOUR DEMONS: A GUIDE TO SELF TRANSFORMATION

Hope Verdad LLC This is not your typical self-help book that tells you how great you are, pats you on the back, and sends you on your way to buy the next book. It is for individuals who desire courageous content, not just audacious titles. Learning to D.A.N.C.E. With Your Demons will challenge you to take a closer and more truthful look at yourself. It will cause you to think critically, confront certain aspects of who you are, and see yourself through a lens of honesty. We cannot become the best version of ourselves until we understand and excavate the darker parts of our human nature. It may touch a nerve, may piss you off, and even cause a defensive, "That's not me," response. That's okay because it means you're really reading the book. Learning to D.A.N.C.E. With Your Demons offers you an alternative self-transformational guide that asks you to become a better person, and in doing so, become a better member of society. "It is written in such an accessible manner. She definitely has a gift for writing and storytelling. It reminds me of reading Elisabeth Kubler Ross's book in college, and the impact it can have, but with a much more positive approach. It has to be the most interesting approach to factor analysis I have ever seen!!" - Janet Martin, Ph.D. Professor of Government & Legal Studies - Bowdoin College "...the book is grounded in the cognitive behavioral school of counseling which emphasizes the present rather than focusing on peoples' previous experiences, e.g. childhood... The author, in addition to being an academic possessing an Ed.D., is a gifted wordsmith." - Michael Klausner, Ph.D. Associate Professor of Sociology & Organizational Behavior University of Pittsburgh - Bradford "... it is refreshing to encounter a narrative that is loaded with helpful insights about how to achieve authentic self-discovery and wholesome healing. This book offers helpful tips for deep awakening and realization. D.A.N.C.E. describes this process with eloquence, grace, and candor. I highly recommend this book for anyone interested in the quest for inner peace, joy, and transformation." - Akintunde E. Akinade, Ph.D., Professor of Theology, Georgetown University in Qatar "We live in a world with scarcity - perceived or real - feeding resentment, explaining caste systems, fostering social divides. This book takes a closer look into the same world and asks us to consider abundance and compassion by finding these qualities within ourselves. LeeAnn Womack sings, "...when you get the choice to sit it out or dance," I join with Ms. Womack and hope you D.A.N.C.E.!" - Judith K. Gwathmey, V.M.D., Ph.D. Professor of Medicine and Physiology - Boston University School of Medicine.

DELIVERANCE: A STUDY GUIDE

Riaan Engelbrecht God is our Deliverance. He is not the means or the method of deliverance, but He is Deliverance. Just as Jesus IS the Way, Truth and Life. If we want deliverance, be in spiritually, emotionally or physically, we need God – but not an idea or the thought or the religion pertaining to God, but God Himself. We need God in our lives and we need to abide in the Father, Son and Holy Spirit to secure our deliverance and to walk in deliverance. This study guide explores what is deliverance, how it pertains to spirit, soul and body and how, contrary to common perceptions, all disciples of the Lord are called to the ministry of deliverance. Deliverance is not an exclusive ministry, but is part and parcel of the duty of the disciple. The study guide reveals how our real battle is of a spiritual nature, thus dispelling the erroneous doctrines and notions that demons and hell does not exist. This study guide seeks to equip, to empower and to train the disciple on the matter of deliverance, thus spiritual warfare.

THE NEW TESTAMENT: A GUIDE

Oxford University Press "This work addresses the question of why the New Testament is considered a sacred text by Christians. While sharing some characteristics of an Introduction to the New Testament, this work has a very different purpose. While for many the New Testament is respected as an interesting and influential ancient first-century text, for believing Christians the New Testament bears perennial normative religious authority. After exploring the content, the historical roots, and the complex process that led to the composition of the varied writings contained in the New Testament, this study turns to the fundamental unifying purpose of the New Testament writings as religious proclamations in various literary forms of the inherently transcendent character of Jesus Christ and the implications of that proclamation for the lives and destiny of both individual Christians and the Christian community itself. It is this defining characteristic that underwrites the sacred character of the New Testament for Christians. A key process was the formation of the New Testament canon during the early centuries of the Christian era which certified the normative nature of the New Testament writings and fused them on to the Jewish Scriptures or Old Testament to form the Christian Bible. The study concludes by sketching the evolution and ongoing diversity of New Testament interpretation both in the academy and in the church"--

FAMILY GUIDE TO SPIRITUAL WARFARE

STRATEGIES FOR DELIVERANCE AND HEALING

Sophia Institute Press Demons wage war against families because families are vital to God's plan of salvation. This stark reality requires that your family members become well-trained spiritual warriors who actively secure your home and fight to keep it off-limits to demonic activity. In *A Family Guide to Spiritual Warfare*, Kathleen Beckman offers you potent advice from her 12 years of active participation on an exorcist's team. She shows you how to "clean up" your household by cultivating in your family a civilization of love — and how to withstand the spiritual attacks that inevitably come to destroy the harmonious family life you create. Beckman reveals how you can recognize diabolical disguises in your home and offers proven means of protection found only in the Church's arsenal of spiritual weapons. You'll also learn the devil's strategies — how he does not necessarily seek to possess but simply to seed your family with the venom of hatred, desolation, envy, and vice. This, she explains, is why it's so important for spouses and children to become schooled in the art of spiritual combat. It's the only way you can destroy the works of the devil and unmask the hidden evil that weaves in and out of your daily family life. Along with more than two dozen effective prayers for family healing and deliverance, you'll also learn: How to understand the spirits working for — and against — your family, and what to do in response to them What specific actions to take if you believe your family has come under the influence of demonic activity How to use your baptismal, spousal, and parental authority in spiritual warfare How curses can become effective — and what can be done to counteract them The difference between diabolical temptation, oppression, obsession, and possession The seven ways your family can wear the full armor of God The diabolical counterparts to each of the Ten Commandments and the Beatitudes The 13 weapons you can use to defend yourself and your family against evil spirits

DEMONS AND SPIRITS IN BIBLICAL THEOLOGY

READING THE BIBLICAL TEXT IN ITS CULTURAL AND LITERARY CONTEXT

Wipf and Stock Publishers Some people believe that a battle of cosmic proportions is raging as Satan and his demons seek to destroy Christians and undermine God's plans. Others believe that all talk of demons in the Bible and theology only reflects pre-

modern superstitions that should be re-interpreted in philosophical and psychological terms. Despite their contrasts, both believe that the Bible directly or indirectly intends to teach readers about reality. Another path is possible. What if references to demons in the Bible are similar to references about the shape and structure of the cosmos representing the beliefs familiar to the ancient audience but used only as a framework for teaching about the plans and purposes of God? This approach is here worked out through detailed examination of hermeneutical method, the ancient Near Eastern and Greco-Roman contexts, each of the biblical terms and passages, and the essentials of biblical and systematic theology. Unlike many scholarly treatments of demons, readers will not find an assessment of the metaphysical realities. Instead they will be introduced to a hermeneutical, exegetical, and theological feast regarding what the Bible, understood in its ancient context, teaches.
