### GEORGE LUCAS

---

---

### A LIFE

---

Hachette UK The essential biography of the influential and beloved filmmaker George Lucas. On May 25, 1977, a problem-plagued, budget-straining independent science-fiction film opened in a mere thirty-two American movie theaters. Conceived, written, and directed by a little-known filmmaker named George Lucas, the movie originally called The Star Wars quickly drew blocks-long lines, bursting box-office records and ushering in a new way for movies to be made, marketed, and merchandised. It is now one of the most adored-and successful-movie franchises of all time. Now, the author of the bestselling biography Jim Henson delivers a long-awaited, revelatory look into the life and times of the man who created Luke Skywalker, Han Solo, and Indiana Jones. If Star Wars wasn't game-changing enough, Lucas went on to create another blockbuster series with Indiana Jones, and he completely transformed the world of special effects and the way movies sound. His innovation and ambition forged Pixar and Lucasfilm, Industrial Light & Magic, and THX sound. Lucas's colleagues and competitors offer tantalizing glimpses into his life. His entire career has been stimulated by innovators including Steven Spielberg and Francis Ford Coppola, actors such as Harrison Ford, and the very technologies that enabled the creation of his films-and allowed him to keep tinkering with them long after their original releases. Like his unforgettable characters and stories, his influence is unmatched.

---

### GEORGE LUCAS

---

Virgin Books Limited The step-by-step companion to the work of George Lucas. George Lucas has directed only five full-length pictures in thirty years, and yet he is one of the most influential of all contemporary filmmakers: not simply a director, he's also a writer, a producer and an unparalleled technical pioneer, responsible for advances in digital projection, CGI and quality cinema sound. Yet he remains defiantly outside the Hollywood system, financing his - and other people's - pictures out of his own funds, creatively answerable to no one but himself. Starting with his time as a film student, this is a critical journey through the films Lucas has directed and actively produced. It encompasses his abstract early works such as Look at Life and 6.18.67, the mainstream successes of American Graffiti, Star Wars and Indiana Jones and the record selling Star Wars prequel trilogy. There is also an extensive section detailing other projects in which he has had a hand, such as Paul Schraeder's Mishima, Haskell Wexler's controversial Latino and Francis Ford Coppola's Tucker: The Man and His Dream. This is an indispensable reference to the work of George Lucas- the mogul, the mythmaker, the one man brand and the most successful independent filmmaker who has ever lived.

---

### THE CINEMA OF GEORGE LUCAS

---

Harry N Abrams Incorporated Citing the filmmaker's contributions to the movie industry since the inception of the Star Wars series, a tribute to Lucas's vision draws on interviews and the Lusasfilm archives to survey some of his most significant achievements.

---

### MYTHMAKER

---

---

### THE LIFE AND WORK OF GEORGE LUCAS

---

Harper Entertainment These days it's hard to find someone who hasn't seen the Star Wars and Indiana Jones trilogies. Now the man behind those epic movies and numerous other blockbuster hits comes alive in this definitive biography that traces a shy, ambitious film student's transformation into one of the industry's most influential leaders. Acclaimed biographer John Baxter uncovers the roots of Lucas's enigmatic genius and independent spirit and shows how he joined with other idealists to found the new Hollywood, an effort that paved the way for the event picture, the phenomenon of product licensing, and ultimately the finest visual effects studio in the world. Drawing upon voluminous research and interviews with Lucas's friends and colleagues, Baxter gives us the clearest picture yet of an icon of popular culture who is recognized by many but understood by precious few.

---

---

### UNRAVEL THE MAN WHO REVOLUTIONIZED CINEMA, SCIENCE FICTION AND CREATIVITY (EXTENDED EDITION)

---

Hernando Chavez THE GENIUS OF GEORGE LUCAS: HIS LIFE, ACCOMPLISHMENTS AND KEYS TO SUCCESS UNRAVEL THE MAN WHO REVOLUTIONIZED CINEMA, SCIENCE FICTION AND CREATIVITY ABOUT THIS BOOK George Lucas is a genius because of his ability to create and shape successful franchises. George Lucas founded Lucasfilm Ltd., which has been responsible for creating several hit movies, including the Star Wars and Indiana Jones series. He also helped to shape the filmmaking industry with his contributions as an inventor and entrepreneur. Lucas created "special-effects" software that changed how filmmakers tell stories on film. He invented new ways of making movies more realistic by using computer graphics technology in conjunction with traditional filmmaking methods (such as using puppets or animatronics). CONTENT Introduction: Why Is George Lucas A Genius? Who Is George Lucas? How Was George Lucas' Childhood? How Did George Lucas' Parents Influence His Life Philosophy? How Was George Lucas Almost Killed In Car Racing? How Did George Lucas Benefit From His Friendship With Francis Ford Coppola? Why Is George Lucas A Great Filmmaker? Why Is George Lucas A Great Producer? How Was George Lucas Inspired By Classic European Films? How Has George Lucas Always Followed His Passions? How Did George Lucas Found Lucasfilm, Ltd.? How Did George Lucas Help Shape The Filmmaking Industry? How Did George Lucas Influence Science Fiction Movies Today? How Did George Lucas Come Up With The Idea For Star Wars? Why Did Star Wars Become Such A Successful Franchise? How Did George Lucas Come Up With The Idea For Indiana Jones? Why Did Indiana Jones Become Such A Successful Franchise? Why Does George Lucas Have So Many Cult Followers? How Many Awards And Achievements Does George Lucas Have? George Lucas Pledged To Give Half Of His Wealth To Charitable Organizations? George Lucas Thinks Everybody Has Talent? How Has George Lucas Stayed True To Himself? Why Does George Lucas Think It's Important To Get Feedback? Why Does George Lucas Think That You Should Also Listen To Yourself? ABOUT THE SAPIENS NETWORK The content in this guide is based on extensive official research and comes from a variety of sources, mostly from books published by experts who have mastered each of the topics presented here and who are backed by internationally recognized careers. Therefore, the reader will be able to acquire a large amount of knowledge from more than one reliable and specialized source. This happens because we rely only on official and endorsed media. In addition, we also collect information from different web pages, courses, biographies, and interviews, so we give the reader a broad overview of their topics of interest. We have not only checked that the sources of knowledge are relevant, but we have also made a very careful selection of the final information that makes up this guide. With great practicality, we have compiled the most useful concepts and put them in a way that are easiest for the reader to learn. Our ultimate goal is to simplify all the ideas that they are fully understandable and so that the reader can enjoy a pleasant, practical, and simple reading. This is why we strive to provide only the key information from each expert. In this guide, the reader will not find redundancies or unnecessary or irrelevant content. Each chapter covers the essential and leaves out everything that could be deemed as extra or that does not add anything new to the selected concepts. Thus, the reader will be able to enjoy a text where they will easily find specialized information that comes exclusively from experts and that has been selected with the greatest effectiveness.

### RETURN OF THE JEDI

---

The most popular series of movies in the history of cinema, the Star Wars trilogy altered forever our notion of what the movies could do. Return of the Jedi is the trilogy's concluding section. With its myriad peculiar creatures, it seems, at first, to be a lighter film than the others. However, as its subtle narrative unfolds, it becomes apparent that the centre of the trilogy is not Luke Skywalker but Darth Vader, and it is his redemption that forms the culmination of this epic story. The power of this conclusion excites curiosity about how someone who began so idealistically could have turned to the dark side of the Force - the story of which will be revealed in the next three instalments to the Star Wars saga . . .

### GEORGE LUCAS

---

---

### INTERVIEWS

---

Univ. Press of Mississippi A director, producer, and writer, George Lucas is the power behind "The Force." The son of a conservative small-town businessman, he grew up to become

arguably the most identifiable and popular filmmaker in the history of the medium. Yet unlike his more publicly engaged contemporaries, Lucas rarely grants reporters an audience. This first book of Lucas's interviews affords fans and students of film and science fiction a rare opportunity. Editor Sally Kline collects conversations from the reticent director spanning Lucas's entire career, from the making of his first film, 1971's "THX-1138," through "American Graffiti," the triumph of the "Star Wars" trilogy, and even a 1999 interview given while awaiting the release of "Star Wars: Episode One--The Phantom Menace." In interviews from venues such as "Rolling Stone," "Playboy," and "American Film," Lucas reveals his distrust of the Hollywood establishment, his love for making movies, and his unambiguous values and how those values translate into the epic clash between good and evil created when he explores characters like Darth Vader and Luke Skywalker. Lucas revolutionized the movie industry and created the most successful film series of all time. Along with films of his close friend Steven Spielberg, Lucas's releases invented the notion of blockbuster movies. Before the end of the millennium, he could count the loyal fans of the Star Wars trilogy in the millions. Sally Kline is film critic for "The Journal" newspapers. She has worked as a film commentator on a number of Washington, D.C. radio stations and as a guest lecturer at George Washington University. A freelance writer and researcher, she has contributed to two books, including a biography of Robert F. Kennedy.

## GEORGE LUCAS

---

### A BIOGRAPHY

---

HarperCollins Publishers George Lucas is one of the most innovative bigtime players on the movie scene. His three Star Wars films and the trio featuring the action hero Indiana Jones (all six of which Lucas conceived, produced and co-wrote) are some of the most popular films ever made. To finance them, he masterminded a revolutionary redrawing of the financial agreements under which films were produced in Hollywood, snatching away control of funding, intellectual content and the distribution of profits from studios, and placing them in the hands of the film-makers themselves.

---

### THE LUCAS EFFECT

---

### GEORGE LUCAS AND THE NEW HOLLYWOOD

---

A filmmaker, visionary, and entrepreneur, George Lucas has not only changed the way we experience film and filmmaking, but also revolutionized film industry practices and standards. George Lucas, on an economic, aesthetic, and cultural level, has contributed more than any other individual to the shaping of the New Hollywood and is one of the most important figures in film history. His contribution to the film industry and our culture can be defined as the "Lucas Effect." Until now Lucas' work has been studied categorically. That is, popular books have been written that focus specifically on his life, his marketing skills, his films, his fans, or his various business accomplishments and practices. This is the first book to weave these threads together into a cohesive, rigorous study that illustrates the far reaching impact and importance of his creative genius. This book is important not only for film academics, students of film criticism and theory, popular culture scholars, and film devotees, but also for industry power brokers, Lucas fans and anyone who is interested in the work, life, and legacy of one of film's most important visionaries, George Lucas.

---

### STAR WARS TRILOGY

---

Star Wars A collector's edition brings together the three original, complete Star Wars novels in a single volume that includes Star Wars: A New Hope, Star Wars: The Empire Strikes Back, and Star Wars: Return of the Jedi. Reissue. 22,000 first printing. (Tie-in to the September 2004 release of the three classic Star Wars films on DVD) (Science Fiction & Fantasy)

---

### SKYWALKING

---

---

### STAR WARS: ORIGINAL TRILOGY

---

Arrow Luke Skywalker dreamed of adventures out among the stars and alien worlds. But when he intercepted a message from a beautiful captive princess, he got more than he had bargained for—and that was how the adventure of his life began. . . . Forty years after the groundbreaking movie Star Wars: A New Hope first hit the silver screen, Star Wars remains one of the most beloved sagas ever told. Together, the three original Star Wars movies A New Hope, The Empire Strikes Back, and Return of the Jedi told one epic: a heroic tale of innocence lost and wisdom gained, of downfall and redemption, of the never-ending fight between the forces of good and evil. Read the story of the movies in one paperback volume and rediscover the wonder of the legend that begins: A long time ago, in a galaxy far, far away . . .

---

### STAR WARS®: EPISODE II: ATTACK OF THE CLONES

---

Scholastic Inc. The biggest movie event of 2002 in a stellar novelization by acclaimed author Patrica C. Wrede. Anakin Skywalker is now age eighteen and facing temptations of love, violence, betrayal, honor, and above all, the dark side of the Force.

---

### SHADOW MOON

---

Spectra The fate of the Great Realms rests on the reluctant shoulders of the Princess Elora Danan, and a stranger named Thorn Drumheller must awaken a sleeping warrior princess in order to save the countryside from war and chaos. Reprint.

---

### THE PHANTOM MENACE

---

Random House The Jedi Knight Qui-Gon Jinn and his apprentice, young Obi-Wan Kenobi, are charged with the protection of Amidala, the young Queen of Naboo, as she seeks to end the siege of her planet by Trade Federation warship.

---

### THE EMPIRE STRIKES BACK

---

---

### GEORGE LUCAS

---

The secret to film is that it is an illusion' Georga Lucas George Lucas is primarily known for his Star Wars film series, and for having created the character of Indiana Jones. However, he was also an avant-garde maker of independent films such as THX-1138, and remains one of the greatest technical innovators the cinema has ever seen a pioneer in stereo sound systems, digital projection and the development of CGI. Using the successful format of previous books in the Virgin Film series, this guide includes categories such as Casting. Alternative Versions. Recurring Themes and Concerns and Expert Witness, information on Lucas's inspiration behind his films both directing and producing - and accounts of his other lesser-known early films. Lucas is, financially speaking, the most successful film director who has ever lived. He still remains outside the studio system: that his later films often resemble the most pointedly calculated of Hollywood 'product' is one of the many fascinating paradoxes in a remarkable career.

---

### STAR WARS®: EPISODE III: REVENGE OF THE SITH

---

Scholastic Inc. Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith.

---

## A NEW HOPE: STAR WARS: EPISODE IV

---

Del Rey The classic adventure that started it all A long time ago in a galaxy far, far away . . . Luke Skywalker lived and worked on his uncle's farm on the remote planet of Tatooine—and he was bored beyond belief. He yearned for adventures out among the stars, adventures that would take him beyond the farthest galaxies to distant and alien worlds. But Luke gets more than he bargained for when he intercepts a cryptic message from a beautiful princess held captive by a dark and powerful warlord. Luke doesn't know who she is, but he knows he has to save her—and soon, because time is running out. Armed only with courage and with the lightsaber that had been his father's, Luke is catapulted into the middle of the most savage space war ever—and headed straight for a desperate encounter on the enemy battle station known as the Death Star. . . .

### WHO IS GEORGE LUCAS?

---

Penguin Highlights the life and accomplishments of the creator of the "Star Wars" and "Indiana Jones" movies, whose technological innovations have had a major impact on the film industry.

---

### THE MAKING OF STAR WARS

---

---

### THE DEFINITIVE STORY BEHIND THE ORIGINAL FILM

---

Random House George Lucas spent nearly ten years bringing his dream project to life: a ground-breaking space fantasy movie. Its original title: *The Star Wars*. The rest is history. Yet its production is a story as entertaining and exciting as the movie itself. Now, recounted in the words of those who were there, it is finally being told, for the first time. Between 1975 and 1978, over fifty interviews were conducted with key members of cast and crew - George Lucas, Mark Hamill, Harrison Ford, Carrie Fisher, Anthony Daniels, composer John Williams, legendary production designer John Barry amongst many others. Remarkably, these candid and revelatory interviews have sat, undisturbed, in the Lucasfilm Archives for three decades. Until now. Using his unprecedented access to the archives and this treasure trove of never-before-published 'lost' interviews, photographs, production notes, factoids and anecdotes, J.W. Rinzler hurtles back in time for a definitive look at the genesis of a cinematic legend. A true story of human endeavour and creativity, *The Making of Star Wars* reveals exactly what it took to produce one of the most outstanding and innovative films of all time.

---

### ATTACK OF THE CLONES

---

Vintage In this volume, it is time for Anakin and the other characters to make key choices - about forbidden love, duty and honour. These choices will set into motion events that change the lives of everyone and the course of an entire galaxy.

---

---

### THE ANNOTATED SCREENPLAYS

---

This volume contains all three full-length *Star Wars* screenplays, presented with the secrets that led to their creation. Through interviews with such people as George Lucas and Lawrence Kasdan, the author uncovers the complex process through which the *Star Wars* saga came to the screen.

---

### GEORGE LUCAS

---

---

### THE CREATIVE IMPULSE : LUCASFILM'S FIRST TWENTY-FIVE YEARS

---

Virgin Books Limited Over the past 25 years George Lucas has been responsible for some of the most successful films made, for example *Indiana Jones* and *Star Wars*. In recognition of his abilities, he was awarded the Irving Thalberg Award for Lifetime Achievement by the Academy of Motion Picture Arts in 1992. This book aims to examine and illustrate all the

films Lucas has made, and all of the other projects he has been involved in. It looks at Industrial Light and Magic, his special effects company responsible for such films as ET and Terminator II, Lucasfilm and LucasArts, two companies funded by profits from his work, which are dedicated to technical advances in projects as diverse as sound-editing and theme park rides. Behind-the-scenes photographs are also included.

---

#### **THE STAR WARS**

---

Titan Books (UK) Before Star Wars, there was The Star Wars! This is the softcover collection of the official adaptation of George Lucas' rough-draft screenplay for what would become Star Wars, the film that changed motion pictures and the world. You'll see familiar characters and places - but not all is the same in this long-ago and faraway galaxy.
