**Bible Study Guide - 28 Fundamental Beliefs** [Createspace Independent Publishing Platform](#) **What scripture says about 28 central topics of Christianity. The Great Controversy Between Christ and Satan: From the Destruction of Jerusalem to the End of the Controversy** [Yesterday's World Publishing](#) "The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White **The Gospel in Christian Traditions** [Oxford University Press](#) Throughout the history of Christianity, there have been theological disputes that caused fissures among the faithful. There were the major ruptures of the Great Schism of 1054 and the Protestant Reformation. Since the Reformation, though, there has been an eruption of new denominations. The World Christian Database now list over 9000 worldwide. And new denominations are created every day, often when a group splits off from an established church because of a dispute over doctrine or leadership. With such a proliferation of denominations, could there possibly be one core Christian message that all churches share? That's the question that Ted Campbell sets out to answer in this book. He begins his examination of Christian doctrine where it started: in the gospels. He then shows how the gospel has been received and professed by Christian communities through the centuries, from the first "proto-Orthodox" Christian communities right through the modern evangelical, Pentecostal, and ecumenical movements. Campbell shows that, despite all the divisions, there is indeed a single unifying core of the faith that all Christians share. In the process, he offers a brief, well-written, and acceptable history of Christian doctrine that will be ideal for courses in the history of Christian thought. **Seventh-day Adventist Church Manual.** [Review and Herald Pub Assoc](#) **The Great Controversy** [GENERAL PRESS](#) Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth. **Towards an Adventist Version of Communion Ecclesiology Remnant in Koinonia** [Springer Nature](#) This book explores how Seventh-day Adventists, like other Christians, can benefit from generating their own version of communion ecclesiology. It starts by offering a critical analysis of the status quo of the existing Adventist portrayal of church as remnant, and suggests potential ways of moving this tradition forward. To articulate a more rounded and comprehensive vision of the church's rich and multifaceted relational nature, this book draws on the mainstream Christian koinonia-based framework. Consequently, it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure, ministry, mission, communal interpretation, and reform. As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions, the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church. **The Story Of Jesus** [Jazzybee Verlag](#) 'The Story Of Jesus' is Ellen Gould White's adaptation of her own work 'Christ Our Saviour' for a children's audience. This beautiful narrative of Jesus' life on earth was prepared by the author's son while he was working with mostly illiterate slaves in the South of the United States. It is wonderful to read and tell, even for persons with a limited vocabulary. **Seventh-Day Adventists Believe** [Pacific PressPub Assn](#) **The 28 Doctrines of the Seventh-day Adventist Church** Bible texts and Descriptions of each doctrine. **The Desire of Ages** [Jazzybee Verlag](#) The author treats the life and work of Christ and his disciples in this volume from the standpoint of a believer to believers, and as a Christian to Christians. **The Desire of Ages** is more than a biography of the life of Christ: it is the story of the life or lives, revealing the breadth, height, and depth, of the Father's love, in the gift of his only Son for the fallen race. The scenes and incidents in connection with the Saviour's birth in Bethlehem of Judea, the appearance of the angels to the shepherds; his mother his first human teacher; Christ's baptism; the Great Teacher; in Gethsemane; in Pilate's judgment-hall; Calvary; in Joseph's new tomb; the resurrection and ascension are dwelt upon in such a way as to enable the reader to obtain a new glimpse of the divine character revealed in the earthly life of Christ. **The Desire of Ages** is a book for parents, educators, Sunday-school

officers, teachers, and students. It is an invaluable reference book, and should be in every home and library. [Growing in Christ](#) [Review and Herald Pub Assoc](#) [The Road A Journey Through the Narrative of Scripture Why Was Sin Permitted? Have you ever asked, "If God created a perfect world, how could there be evil?" Get surprising yet Bible-based answers to questions like: 1\) Has evil always existed? 2\) Did god create the devil? 3\) Is God responsible for sin?Finally, the Seventh-Day Adventists Answer Questions on Doctrine This completely new typeset of the monumental 1957 classic contains an extensive historical and theological introduction and detailed notations by George R. Knight, professor of church history at Andrews University.; Originally produced by the Ministerial Association of the General Conference of SDAs, Questions on Doctrine was widely acclaimed and heavily distributed in the late 1950s and early 1960s as a forthright answer to questions from evangelicals about key elements of Adventist doctrine. Controversy regarding the book's position on the nature of Christ and the atonement soon stopped its circulation.; Intended as a complete reference on the book itself, this new edition faithfully reproduces the original text of Questions on Doctrine, with in-text indicators of the original pagings. It includes later important documents that bring the work up to date. The original bibliography is followed by an updated selected bibliography. Commentary on various historical or bibliographic topics is included in new footnotes throughout the text, all while preserving the reading integrity of the original edition.; George Knight's introductory essays provide the background for how the book came about and describe the interaction of the principal players involved in the dispute about a small section of content that shelved this classic work for more than a generation.; This new edition of Question on Doctrine beautifully preserves this outstanding and winsome work of Adventist apologetics to future generations of scholars, laypersons, and critics. It is an essential element of every Adventist library.](#)

[Living 28 What We Believe Helping Children Understand the Beliefs of the Seventh-Day Adventist Church](#) [Pacific Press Publishing](#) [The Elephant in the Room Church Schools Are Drowning—Champions Needed!](#) [Christian Faith Publishing, Inc.](#) I write this book to do something that most would consider unwise as a current employee of the Seventh-day Adventist Church. I call or appeal for systematic change--change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal.Please don't think of me as a brave one who dares to go where many have not gone before. I am not... I speak out because we need policy changes at every level."Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed."Many businesses are rethinking how to move forward post the pandemic. We, too, as a church, need to do the same.In the Old Testament, God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments (Deuteronomy 6:4-8 and Isaiah 54:13). Similarly, the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20. Jesus directs the church to make disciples of all nations by baptizing and teaching. Church schools are needed to partner with parents and the church as a whole to educate children.Ellen G. White, cofounder of the Seventh-day Adventist Church, who earlier encouraged the Seventh-day Church to focus on foreign missions, stated--in addressing church schools in the book Testimonies for the Church, volume 6--that the children are not to be neglected. She writes, "We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God." Her solution to financing church schools is simple: "Let all share the expense."Enrollment in Christian elementary and secondary schools have been dropping nationwide. Many families in North America, especially new immigrant families, are not able to afford the tuition to send their children to church schools. Several church schools have closed.In this book, Dr. Sadrail Saint-Ulyse, an ordained minister and educator of the Seventh-day Adventist Church, addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty-five years as a pastor and educator, with the hope that the burden of operating church schools can be shared by the entire church--local, state, national, and worldwide--to alleviate this burden. The book challenges parents, teachers, principals, school boards, church members, and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner. [Making Friends for God](#) "This book is about soul-winning principles involved with sharing Christ's love and truth. Witnessing is the role of each believer and comes as the natural result of knowing Jesus. Following in His footsteps, one can discover the universal principles for sharing their faith"-- [The Seventh-day Adventist Hymnal](#). [Review and Herald Pub Assoc](#) [Our High Calling](#) [Review and Herald Pub Assoc](#) [Revelation](#) [Canongate Books](#) [The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.](#) [Worship Journey Into His Presence](#) [Kingdom Pub](#) [Discover the fresh adventure into Worship as you join Dr. Webber on the road to Emmaus. Learn from one of the foremost authorities on worship.](#) [Messages to Young People](#) [Review and Herald Pub Assoc](#) [Discipleship Handbook Sabbath School Program Planner](#) [Review and Herald Pub Assoc](#) Here are 14 complete scripts and 20 program starters to help you present spiritually rewarding Sabbath school programs that get people involved! These programs have been tested in large and small Sabbath schools across the country and will help make your Sabbath school a refreshing time of worship. The Trinity Desiring God Meditations of a Christian Hedonist [Multnomah](#) Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." What We Believe for Guide Readers How Not to Die Discover the Foods Scientifically Proven to Prevent and Reverse Disease [Pan Macmillan](#) 'This book may help those who are susceptible to illnesses that can be prevented with proper nutrition' - His Holiness the Dalai Lama The international bestseller, Dr Michael Greger's How Not To Die gives effective, scientifically-proven nutritional advice to prevent our biggest killers - including heart disease, breast cancer, prostate cancer, high blood pressure and diabetes - and reveals the astounding health benefits that simple dietary choices can provide. Why rely on drugs and surgery to cure you of life-threatening disease when the right decisions can prevent you from falling ill to begin with? Based on the latest scientific research, How Not To Die examines each of the most common diseases to reveal what, how and why different foods affect us, and how increasing our consumption of certain foods and avoiding others can dramatically reduce our risk of falling sick and even reverse the effects of disease. It also shares Dr Greger's 'Daily Dozen' - the twelve foods we should all eat every day to stay in the best of health. With emphasis on individual family health history and acknowledging that everyone needs something different, Dr Michael Greger offers practical dietary advice to help you live longer, healthier lives. 'Dr Michael Greger reveals the foods that will help you live longer.' - Daily Mail The Ultimate Resource [Amazing Facts](#) In a time of so many distractions from television, to the internet, movies, and more Bible study is fast becoming obsolete. Who in the world has time to open the Book? Yet God promises huge blessings for those who daily receive His bread of truth. In this inspiring booklet, Pastor Doug shows you the power of God's Word to change your life and the tremendous need to return to the source of our faith. James A 12-Week Study [Crossway](#) The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience. Sybil Exposed The Extraordinary Story Behind the Famous Multiple Personality Case [Simon and Schuster](#) Documents the stories of the three women behind the famous multiple-personality-disorder case, contending that a large portion of the story was fabricated by a willing patient, her psychiatrist and an ambitious journalist who took advantage of a public that was psychologically primed to believe their claims. By the award-winning author of Pornography. 50,000 first printing. Conversations about God Teaching to Change Lives Seven Proven Ways to Make Your Teaching Come Alive [Multnomah](#) This insightful book conveys the author's passion for communication and gets to the heart of how to do it. Discover the thrill of applying the seven proven concepts - and seeing the results! Also contains sample lesson plans.
