KEY=YOU - ESTHER BROOKLYN

KEEPING YOU A SECRET

Hachette UK **National Book Award finalist Julie Anne Peters delivers a moving, classic love story with a coming out theme and a modern twist. With a steady boyfriend, the position of Student Council President, and a chance to go to an Ivy League college, high school life is just fine for Holland Jaeger. At least, it seems to be. But when Cece Goddard comes to school, everything changes. Cece and Holland have undeniable feelings for each other, but how will others react to their developing relationship? This moving love story between two girls is for fans of Nancy Garden's classic young adult coming out novel, Annie on My Mind. With her characteristic humor and breezy style, Peters has captured the compelling emotions of young love.**

CAN YOU KEEP A SECRET?

Random House **The hilarious romantic comedy from NUMBER ONE BESTSELLING AUTHOR Sophie Kinsella . . . soon to be a major motion picture! Emma is like every girl in the world. She has a few little secrets. Secrets from her mother: 1. I lost my virginity in the spare bedroom to Danny Nussbaum while Mum and Dad were downstairs watching TV. ... From her boyfriend: 2. I'm a size twelve. Not a size eight, like Connor thinks. 3. I've always thought Connor looks a bit like Ken. As in Barbie and Ken. ... From her colleagues: 4. When Artemis really annoys me (which is pretty much every day),**

I feed her plant orange juice. 5. It was me who jammed the copier that time. In fact, all the times. ...Secrets she wouldn't share with anyone in the world: 6. My G string is hurting me. 7. I faked my Maths GCSE grade on my CV. 8. I have no idea what NATO stands for. Or even what it is... ...until she spills them all to a handsome stranger on a plane. After all, she'll never see him again. But on Monday morning, Emma's office is abuzz about the arrival of Jack Harper, the company's elusive CEO. Suddenly Emma is face-to-face with the stranger from the plane, a man who knows every single humiliating detail about her. Things couldn't possibly get worse... Until they do. ***** EVERYBODY LOVES SOPHIE KINSELLA: ***** 'Funny, fast and farcical. I loved it' JOJO MOYES 'I couldn't put it down.' LOUISE PENTLAND (SprinkleofGlitter) 'I almost cried with laughter' DAILY MAIL 'Life doesn't get much better than a new Sophie Kinsella novel' RED 'Hilarious . . . you'll laugh and gasp on every page' JENNY COLGAN

CAN YOU KEEP A SECRET?

Penguin UK **Surviving the weekend depends on whether you can keep a secret . . . Lindsey hasn't spoken to Rachel in twenty years, not since her brother's eighteenth birthday party at their parents' remote country house. A night that shattered so many friendships - and left Rachel's father dead. Now Thornbury Hall is up for sale, and the old gang are back there, together again. A weekend to say goodbye to the old place, to talk about the past. But twenty years of secrets aren't given up lightly. Some won't speak about what happened that night. While others want to ensure that no one ever does. *One of Red Magazine's Top Ten Crime Reads for Autumn* Praise for Karen Perry 'Keeps us guessing until the very last page' Liz Nugent 'Intense psychological thrillers that explore emotional danger with relentless, surgical accuracy' Tana French 'Like Gone Girl . . . PURGE WITH PASSION

WestBow Press **God cares about your clutter. We're beginning to understand that we should be organized, but we don't hear as much on why we should be organized. Why should it matter if our lives are disorganized? Purge with Passion: Organizing Principles from a Christian Perspective focuses on that question. This isn't your average organizing book. If you see organization as a step to a happier and more productive life, then you're partly right. But, what if there's more? Our resources and possessions are meant to be used for God, but too often they distract us from God. Jodie Watson helps you free yourself from the clutter with practical and actionable advice. But she also explains that what truly matters is the heart behind your organization. Identify the ways the disorganization in your life can hinder you from pursuing God's will. Take a deeper look at the things that God has entrusted to you. Adopt a biblical approach to ordering your life for God's glory. Go beyond the surface and discover what's at the very heart of your disorganization. God has a specific purpose for you and the world in which you live. Get ready to step out of the mess and step into God's amazing plan for order.**

FILE MANAGEMENT MADE SIMPLE, WINDOWS EDITION

Apress **Managing data is an essential skill that every PC user should have. Surprisingly though, a large number of users--even highly experienced users--exhibit poor file management skills, resulting in frustration and lost data. This brief but invaluable book, File Management Made Simple can resolve this by providing you with the skills and best practices needed for creating, managing and protecting your data. Do any of the following scenarios sound familiar to you? You've downloaded an attachment from your e-mail, but aren't sure where you downloaded it to. You spent an entire evening working on a document only to discover the next morning that you didn't save it to your flash drive like you thought you had? Maybe you had a guest visiting and wanted to share with them the pictures you took of your kids recital, yet when you went to get them you were unable to recall where you stored them on your PC. Or you scanned your receipts for your expense reports on day and came back the next day and scanned some for another report only to find that the new ones numbered Scan 1, Scan 2,... still exist. Unfortunately, for a vast number of PC users, scenarios like these are all too common. These situations are not only extremely frustrating for the user, but also tend to discourage them from ever wanting to touch a PC again! Why is that? What is the common factor? It's simple really. Each of these issues can be attributed to poor file management skills. In my experience, the people with the worst file management skills are simply the ones that lack an understanding of how to navigate the Windows operating system. However this situation can be easily rectified. And once you can successfully navigate your computer's drive and folder structure, you'll be hard pressed to misplace anything. Although this process can seem daunting to the uninitiated, this isn't black magic. In fact, it's actually quite simpl e. Keeping your files and folders organized on the computer is no more difficult than keeping them organized in real life. There is a place for everything and everything has its place. We will show you how to navigate Windows correctly and efficiently. Where specific types of files should be stored. We'll also show you how best to name and manage your files; such as using descriptive folders to identify files,**

implementing the best naming conventions for files and directories, and how to group various types of data together; ensuring that the data you need is always readily available. Finally we'll introduce you to some of the best options for transporting and protecting your data. We will show you the skills you need to easily manage your data, using clear and simple English, without the confusing technical jargon. All this and more can be accomplished with File Management Made Simple by your side.
