## Handa's Surprise

## Handa's Surprising Day

Walker Featuring Handa, this storybook contains three linked stories and is designed to build reader confidence. The readers can join Handa, a young African girl living in a Kenyan tribe, as she goes about her everyday life, delivering fruit to her village, hunting for her Grandma's black hen with her friend, Akeyo and encountering a troublesome goat.

## Handa's Hen

Candlewick Press "This picture book throbs with sunshine. A stunning book." — The Independent (U.K.) Every morning, Handa, a young girl from the Luo tribe, feeds breakfast to Mond, her grandma's black hen. This morning, however, Mond is nowhere to be seen. So Handa and her friend Akeyo set off on a hunt, coming upon two fluttery butterflies, three stripy mice, four little lizards, five beautiful sunbirds, and many more intriguing creatures. But where could Mond be? Is that a faint cheeping they hear under the bush? Might Mond have a surprise in store (or maybe even ten of them)? Luminous colors depict a lush natural setting in this gentle, repetitive story perfect for reading aloud.

### Song of the Dolphin Boy

Pan Macmillan Finn has always been different, and in the tiny fishing village of Stromhead he sticks out like a sore thumb. Always told to keep away from the water, he's felt that something was missing until one day he dives in and finds that, swimming with the dolphins, he feels completely at home. But his new friends are in danger of being injured by the rubbish that floats out into the water - and now a supermarket is going to release thousands of balloons that could drift out to sea and cause even more damage. Desperate to help the dolphins, Finn goes to the Lighthouse Crew, a group of kids who have always left Finn out. Will they be able to set aside their differences to save the dolphins? And what will Finn discover about his past along the way? A moving adventure about the impact of plastic pollution on our seas, and the campaigning power of friendship from the award-winning Elizabeth Laird, illustrated by Peter Bailey. 'Song of the Dolphin Boy is such a beautiful, important, heartfelt book. I loved every page' Lauren St John 'A lively and inspiring tale of village life and the dangers to wildlife of releasing balloons' The Sunday Times

### Reading Reconsidered

### A Practical Guide to Rigorous Literacy Instruction

John Wiley & Sons TEACH YOUR STUDENTS TO READ LIKE CHAMPIONS—WITH RIGOR, INDEPENDENCE, PRECISION, AND INSIGHT The world we are preparing our students to succeed in is one bound together by words and phrases. Our students learn their literature, history, math, science, or art via a firm foundation of strong reading skills. When we teach students to read with precision, rigor, and insight, we are truly handing over the key to the kingdom. Of all the subjects we teach reading is first among equals. Grounded in advice from effective classrooms nationwide, enhanced with more than 40 video clips, Reading Reconsidered takes you into the trenches with actionable guidance from real-life educators and instructional champions. The authors address the anxiety-inducing world of Common Core State Standards, distilling from those standards four key ideas that help hone teaching practices both generally and in preparation for assessments. This 'Core of the Core' comprises the first half of the book and instructs educators on how to teach students to: read harder texts, 'closely read' texts rigorously and intentionally, read nonfiction more effectively, and write more effectively in direct response to texts. The second half of Reading Reconsidered reinforces these principles, coupling them with the 'fundamentals' of reading instruction—a host of techniques and subject specific tools to reconsider how teachers approach such essential topics as vocabulary, interactive reading, and student autonomy. Reading Reconsidered breaks an overly broad issue into clear, easy-to-implement approaches. Filled with practical tools, including: 44 video clips of exemplar teachers demonstrating the techniques and principles in their classrooms (note: for online access of this content, please visit my.teachlikeachampion.com) Recommended book lists Downloadable tips and templates on key topics like reading nonfiction, vocabulary instruction, and literary terms and definitions. Reading Reconsidered provides the framework necessary for teachers to ensure that students forge futures as lifelong readers.

## Guiding Readers - Layers of Meaning

## A Handbook for Teaching Reading Comprehension to 7-11-Year-Olds

UCL Institute of Education Press (University College London Institute of Education Press) How can teachers foster good reading in pupils aged 7 - 11? This book explains the way to do it. \* What is this book about? Reading comprehension is so much more than just reading words, and this book explains how to develop all aspects of it for pupils aged 7-11. Written by top experts in the field, it includes eleven in-depth case studies - taken from real-life classrooms - of lessons on fiction and non-fiction, poetry and picture books, advertising and film. \* Why is it needed? Guided reading, widely used in English lessons, has never been satisfactorily examined for children in this age range. Once they have learned how to read, pupils need support to develop strategies to extend their comprehension: What does the text say? What does it mean? What do I feel about it? \* What is special about guiding readers? We can guide readers whenever we open discussions by exploring their understanding rather than telling them. This book shows teachers how it can be done with real classroom examples. \* Who is it for? All teachers of children aged 7-11, English subject leaders, literacy coordinators, student teachers, teacher-educators, librarians, tutors, reading specialists.

## Itchy Bear

## Secret Sky Garden

Simon and Schuster A startlingly original picture book about a little girl who creates a garden on a disused car park rooftop. Funni loves the old, disused car park, and spends a lot of time there flying her kite and playing her recorder. But something is missing. Definitely. So Funni decides to create a garden in the neglected space and after weeks of careful nurture, her garden in the sky takes shape. One day, a little boy, Zoo, spots the square of colour amongst the grey from an incoming flight, and decides to try to find it. And slowly, not only do Funni's flowers bloom, but a very special friendship blossoms too. Beautifully illustrated in line and watercolour by up-and-coming talent, Fiona Lumbers, this is a poignant and memorable story from award-winning author, Linda Sarah.
