STRENGTHENING FORENSIC SCIENCE IN THE UNITED STATES

A PATH FORWARD

National Academies Press Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

STAND YOUR GROUND

AN INTRODUCTORY TEXT FOR APOLOGETICS STUDENTS

Wipf and Stock Publishers "My freshman year of college was a battle," writes Katie, a college student and a strong Christian. The transition from high school to college is one of the most pivotal times in a young person's life. After departing from under the protective wings of their parents, young adults often have trouble holding firm to the Christian faith. Stand Your Ground is an introduction to apologetics for young adults in high school or college. The book includes thirteen chapters that confront the overwhelming intellectual attacks Christian college students face on university campuses. Dean Hardy takes readers on a spiritual and intellectual journey, addressing such issues as the nature of truth and reality, the investigation of other worldviews, the evidence for Christianity, critics' arguments against Christianity, and the relationship between apologetics and evangelism.

GETTING AT JESUS

A COMPREHENSIVE CRITIQUE OF NEO-ATHEIST NONSENSE ABOUT THE JESUS OF HISTORY

Wipf and Stock Publishers Portraying themselves as challenging blind religious dogma with evidence-led skepticism, the neo-atheist movement claims that the New Testament contains unreliable tales about a mythical figure who, far from being the resurrected Lord of life, may not even have lived. This comprehensive critique documents the falsehood of these neo-atheist claims, correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus.

PATIENT SAFETY AND QUALITY

AN EVIDENCE-BASED HANDBOOK FOR NURSES

"Nurses play a vital role in improving the safety and quality of patient care -- not only in the hospital or ambulatory treatment facility, but also of community-based care and the care performed by family members. Nurses need to know what proven techniques and interventions they can use to enhance patient outcomes. To address this need, the Agency for Healthcare Research and Quality (AHRQ), with additional funding from the Robert Wood Johnson Foundation, has prepared this comprehensive, 1,400-page, handbook for nurses on patient safety and quality -- Patient Safety and Quality: An Evidence-Based Handbook for Nurses. (AHRQ Publication No. 08-0043)."--Online AHRQ blurb, <http://www.ahrq.gov/qual/nursesfdbk>.

CLINICAL TRIAL MANAGEMENT SYSTEM STANDARD REQUIREMENTS

5starcooks Is Clinical trial management system currently on schedule according to the plan? What knowledge, skills and characteristics mark a good Clinical trial management system project manager? What are all of our Clinical trial management system domains and what do they do? How does Clinical trial management system integrate with other business initiatives? WHERE HAS OPRAH TAKEN US?

THE RELIGIOUS INFLUENCE OF THE WORLD'S MOST FAMOUS WOMAN

Thomas Nelson New York Times best-selling author, Stephen Mansfield, traces the fascinating and influential life of Oprah Winfrey, profiling her quest for spiritual enlightenment—a well-publicized journey featuring a caravan of experts, mystics, and gurus—all claiming to have a prescription for inner peace and personal well-being. Mansfield shows how Oprah's story fits into our larger cultural experience and reveals why her spiritual discoveries have resonated so loudly in today's popular culture. In so doing, he sheds needed light on the dangers of a spiritual journey fueled solely by a desire for self-actualization. In the end, we find that the story of Oprah is, in fact, the story of us?of a generation searching desperately for something meaningful to believe in. "Wow. Stephen Mansfield reveals the Oprah story no other dares to tell?and with a two-edged sword that rightly divides the truth from the lies." ?STAR PARKER, nationally syndicated columnist and media commentator "As a lens can focus all the sun into one searing spot of incandescence, Where Has Oprah Taken Us? focuses the vastness of popular culture through the lens of Oprah's amazing life to bring us this towering and insightful story. Stephen Mansfield offers us an unvarnished account of Winfrey's life (and our own spiritual wandering) told graciously and irresistibly. You will be thrilled, disturbed, and astounded, but ultimately inspired and uplifted." ?RABBI DANIEL LAPIN, American Alliance of Jews and Christians

EXPERIENTIAL LEGAL WRITING

ANALYSIS, PROCESS, AND DOCUMENTS

Aspen Publishing Experiential Legal Writing: Analysis, Process, and Documents discusses the documents first-year law students are introduced to, including memos, briefs, and client letters, as well as documents that are used in upper-class courses, such as scholarly writing and pleadings. Based on the online legal writing materials available at TeachingLaw, this straightforward text is designed to be used either as an aid to instructors and students working in the electronic environment of TeachingLaw or on its own as a primary or supplementary textbook. Covering the entirety of the writing process, from analysis to citation form, this text Offers a clear instructional approach to legal analysis, legal documents, and the writing process, as well as to legal grammar and usage and to citation style for both ALWD and the Bluebook. Breaks down the analytical and writing processes into manageable tasks and provides students with strategies, examples, and exercises. Introduces each type of legal document with "Purpose, Audience, Scope, and View" bullet points, providing an at-a-glance overview. Employs maps, diagrams, text boxes, and tables to summarize material and provide visual interest. Includes multiple documents annotated with in-depth commentary to help students identify key parts, understand the arguments being made, and understand the strengths of each document. Provides abundant, thorough study aid materials Quick References and Checklists that reinforce and test students' understanding of the material Quizzes and Self-Assessments that allow students and teachers to test students' understanding of the material

EVIDENCE THAT DEMANDS A VERDICT

LIFE-CHANGING TRUTH FOR A SKEPTICAL WORLD

Thomas Nelson Equip yourself to present and defend the claims of the Christian faith. The truth of the Bible doesn't change, but its critics do. Now with his son Sean McDowell, Josh McDowell has updated and expanded the modern apologetics classic for a new generation. Evidence That Demands a Verdict provides expansive defense of Christianity's core truths and thoughtful responses to the Bible's most difficult and extraordinary passages. It invites readers to bring their doubts and doesn't shy away from the tough questions. Topics and questions are covered in four parts: Evidence for the Bible Evidence for Jesus Evidence for the Old Testament Evidence for Truth Serving as a go-to reference for even the toughest questions, Evidence that Demands a Verdict continues to encourage and strengthen millions by providing Christians the answers they need to defend their faith against the harshest critics and skeptics. Evidence That Demands a Verdict was the winner of the 2018 ECPA Christian Book award for Bible Reference Works.

EVIDENCE THAT DEMANDS A VERDICT STUDY GUIDE WITH DVD

LIFE-CHANGING TRUTH FOR A SKEPTICAL WORLD

Thomas Nelson Articulate your faith to a skeptical world. For more than forty years, Evidence That Demands a Verdict has convinced skeptics of the Bible's reliability, helped believers articulate their faith, and given them the vital facts they need to defend God's Word and lead others to faith in Jesus. In this video Bible study, based on the completely updated and expanded classic, Josh and his son, Sean, focus on Jesus and the Gospels. Learn how the books of the New Testament came into being and why you can be sure they are historically reliable. Examine why the claims Jesus made about himself are true, how he fulfilled Old Testament prophecies about himself, and how we can know the resurrection took place. This study is for anyone who has ever been stumped by arguments against Christianity or the Bible-or has wondered for themselves if the Bible's depiction of Jesus is true and not just a made-up fairytale. Sessions include: Why Is Evidence Important for Faith? Is There Such a Thing as Truth? Is the New Testament Reliable? Did Jesus Actually Rise from the Dead? Did Jesus Claim to Be God? How Do We Know the Bible is Accurate? This pack contains one study guide and one DVD.

FAMILY LAW TRIAL EVIDENCE HANDBOOK

RULES AND PROCEDURES FOR EFFECTIVE ADVOCACY

Being a trial lawyer requires a working knowledge of the rules of evidence. Based upon the author's years of family law practice, this practical handbook is useful for all family law trial lawyers, regardless of whether they practice in a state that uses a variation on the Federal Rules or a common law body of rules on evidence. Topics range from hearsay, authentication of writings, and examination of witnesses to tendering exhibits, procedures for streamlining admission of evidence, and requests to admit facts and genuineness of documents.

Tyndale House Pub

EVIDENCE-BASED PRACTICE

Jones & Bartlett Learning Evidence-Based Practice: An Implementation Guide for Healthcare Organizations was created to assist the increasing number of hospitals that are attempting to implement evidence-based practice in their facilities with little or no guidance. This manual serves as a guide for the design and implementation of evidence-based practice systems and provides practice advice, worksheets, and resources for providers. It also shows institutions how to achieve Magnet status without the major investment in consultants and external resources.

MENTAL CAPACITY ACT 2005 CODE OF PRACTICE

[LARGE PRINT 2007 FINAL EDITION]

The Stationery Office The Mental capacity Act 2005 provides a statutory framework for people who lack the capacity to make decisions for themselves, or for people who want to make provision for a time when they will be unable to make their own decisions. This code of practice, which has statutory force, provides information and guidance about how the Act should work in practice. It explains the principles behind the Act, defines when someone is incapable of making their own decisions and explains what is meant by acting in someone's best interests. It describes the role of the new Court of Protection and the role of Independent Mental Capacity Advocates and sets out the role of the Public Guardian. It also covers medical treatment and the way disputes can be resolved.

MINISTRY OF JUSTICE - CODE OF PRACTICE FOR VICTIMS OF CRIME

The Stationery Office This Code of Practice for Victims of Crime forms a key part of the wider Government strategy to transform the criminal justice system by putting victims first, making the system more responsive and easier to navigate. Victims of crime should be treated in a respectful, sensitive and professional manner without discrimination of any kind. They should receive appropriate support to help them, as far as possible, to cope and recover and be protected from re-victimisation. It is important that victims of crime know what information and support is available to them from reporting a crime onwards and who to request help from if they are not getting it. This Code sets out the services to be provided to victims of criminal conduct by criminal justice organisations in England and Wales. Criminal conduct is behaviour constituting a criminal offence under the National Crime Recording Standard. Service providers may provide support and services in line with this Code on a discretionary basis if the offence does not fall under the National Crime Recording Standard (NCRS) (see the glossary of key terms found at the end of this Code). Non-NCRS offences include drink driving and careless driving. This Code also sets a minimum standard for these services. Criminal justice organisations can choose to offer additional services and victims can choose to receive services tailored to their individual needs that fall below the minimum stand

IMPACT EVALUATION IN PRACTICE, SECOND EDITION

World Bank Publications The second edition of the Impact Evaluation in Practice handbook is a comprehensive and accessible introduction to impact evaluation for policy makers and development practitioners. First published in 2011, it has been used widely across the development and academic communities. The book incorporates real-world examples to present practical guidelines for designing and implementing impact evaluations. Readers will gain an understanding of impact evaluations and the best ways to use them to design evidence-based policies and programs. The updated version covers the newest techniques for evaluating programs and includes state-of-the-art implementation advice, as well as an expanded set of examples and case studies that draw on recent development challenges. It also includes new material on research ethics and partnerships to conduct impact evaluation. The handbook is divided into four sections: Part One discusses what to evaluate and why; Part Two presents the main impact evaluation methods; Part Three addresses how to manage impact evaluations; Part Four reviews impact evaluation sampling and data collection. Case studies illustrate different applications of impact evaluations. The book links to complementary instructional material available online, including an applied case as well as questions and answers. The updated second edition will be a valuable resource for the international development community, universities, and policy makers looking to build better evidence around what works in development.

RECORDS AND INFORMATION MANAGEMENT

FUNDAMENTALS OF PROFESSIONAL PRACTICE

Rowman & Littlefield This is the "go to" book for newly appointed records managers, as well as experienced records and information management (RIM) professionals who want a review of specific topics. The approach here is practical rather than theoretical and emphasizes best practices and published standards.

77 FAQs ABOUT GOD AND THE BIBLE

YOUR TOUGHEST QUESTIONS ANSWERED

Harvest House Publishers Real-life, on-the-street Christian apologetics is what readers expect from Josh McDowell. Here, he and his son, Sean, reflect their ongoing research and close engagement with our culture in answers to classic questions such as... Is there scientific proof God exists? How can a loving God send people to hell? Why does God allow suffering? Is the New Testament historically reliable? Aren't there errors and contradictions in the Bible? ...and questions that arise from today's culture: If God is so loving, why can't he be more tolerant of sin? Is God sexist? Is religion the real cause of violence in the world? How can teachings from the ancient cultures of the Bible be relevant to our culture? What's the difference between the Bible and the Koran? 77 FAQs offers the concise, accessible presentations that readers want and need in an apologetic resource—answers they'll turn to for help in everyday life.

JESUS IS ALIVE!

EVIDENCE FOR THE RESURRECTION FOR KIDS

Gospel Light Publications Kids want to see the evidence for themselves! In a kid-friendly Q&A about at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death! In clear, accessible chapters that correspond to the adult and teen editions of the book, Josh and Sean invite children ages 7 to 10 to discover the proof of Christ's resurrection and what it means for them today.

GLOBAL TRENDS 2030

ALTERNATIVE WORLDS

Createspace Independent Publishing Platform This publication covers global megatrends for the next 20 years and how they will affect the United States. This is the fifth installment in the National Intelligence Council's series aimed at providing a framework for thinking about possible futures and their implications. The report is intended to stimulate strategic thinking about the rapid and vast geopolitical changes characterizing the world today and possible global trajectories during the next 15-20 years by identifying critical trends and potential discontinuities. The authors distinguish between megatrends, those factors that will likely occur under any scenario, and game-changers, critical variables whose trajectories are far less certain. NIC 2012-001. Several innovations are included in Global Trends 2030, including: a review of the four previous Global Trends reports, input from academic and other experts around the world, coverage of disruptive technologies, and a chapter on the potential trajectories for the US role in the international system and the possible the impact on future international relations. WRONGFUL CONVICTION AND CRIMINAL JUSTICE REFORM

MAKING JUSTICE

Routledge Wrongful Conviction and Criminal Justice Reform is an important addition to the literature and teaching on innocence reform. This book delves into wrongful convictions studies but expands upon them by offering potential reforms that would alleviate the problem of wrongful convictions in the criminal justice system. Written to be accessible to students, Wrongful Conviction and Criminal Justice Reform is a main text for wrongful convictions courses or a secondary text for more general courses in criminal justice, political science, and law school innocence clinics.

A REVISED FRAMEWORK

Lulu.com

UNDERSTANDING CYBERCRIME

PHENOMENA, CHALLENGES AND LEGAL RESPONSE

United Nations Cyber attacks are on the rise. The media constantly report about data breaches and increasingly sophisticated cybercrime. Even governments are affected. At the same time, it is obvious that technology alone cannot solve the problem. What can countries do? Which issues can be addressed by policies and legislation? How to draft a good law? The report assists countries in understanding what cybercrime is about, what the challenges are in fighting such crime and supports them in drafting policies and laws.

COMMUNICATING RISKS AND BENEFITS

AN EVIDENCE BASED USER'S GUIDE

Government Printing Office Effective risk communication is essential to the well-being of any organization and those people who depend on it. Ineffective communication can cost lives, money and reputations. Communicating Risks and Benefits: An Evidence-Based User's Guide provides the scientific foundations for effective communications. The book authoritatively summarizes the relevant research, draws out its implications for communication design, and provides practical ways to evaluate and improve communications for any decision involving risks and benefits. Topics include the communication of quantitative information and warnings, the roles of emotion and the news media, the effects of age and literacy, and tests of how well communications meet the organization's goals. The guide will help users in any organization, with any budget, to make the science of their communications as sound as the science that they are communicating.

THE GREEN BOOK

APPRAISAL AND EVALUATION IN CENTRAL GOVERNMENT : TREASURY GUIDANCE

Stationery Office This new edition incorporates revised guidance from H.M Treasury which is designed to promote efficient policy development and resource allocation across government through the use of a thorough, long-term and analytically robust approach to the appraisal and evaluation of public service projects before significant funds are committed. It is the first edition to have been aided by a consultation process in order to ensure the guidance is clearer and more closely tailored to suit the needs of users.

It also includes written evidence submitted by a range of organisations including the Home Office, HM Chief Inspector of Prisons, the Crown Prosecution Service, Criminal Bar Association, the Howard League for Penal Reform, JUSTICE, the Parole Board, the Police Federation, the Prison Governors' Association, the Prison Reform Trust, and the Youth Justice Board for England and Wales.

WHEN SKEPTICS ASK

A HANDBOOK ON CHRISTIAN EVIDENCES

Baker Books When skeptics ask tough questions, believers can turn to this helpful, user-friendly guide for thoughtful, up-to-date answers. Readers will also learn to identify and respond to the misuse of Scripture by nonbelievers and help detractors see the fullness, beauty, and truth of Christianity.

THE FINANCIAL CRISIS INQUIRY REPORT

THE FINAL REPORT OF THE NATIONAL COMMISSION ON THE CAUSES OF THE FINANCIAL AND ECONOMIC CRISIS IN THE UNITED STATES INCLUDING DISSENTING VIEWS

Cosimo, Inc. The Financial Crisis Inquiry Report, published by the U.S. Government and the Financial Crisis Inquiry Commission in early 2011, is the official government report on the United States financial collapse and the review of major financial institutions that bankrupted and failed, or would have without help from the government. The commission and the report were implemented after Congress passed an act in 2009 to review and prevent fraudulent activity. The report details, among other things, the periods before, during, and after the crisis, what led up to it, and analyses of subprime mortgage lending, credit expansion and banking policies, the collapse of companies like Fannie Mae and Freddie Mac, and the federal bailouts of Lehman and AIG. It also discusses the aftermath of the fallout and our current state. This report should be of interest to anyone concerned about the financial situation in the U.S. and around the world. THE FINANCIAL CRISIS INQUIRY COMMISSION is an independent, bi-partisan, government-appointed panel of 10 people that was created to "examine the causes, domestic and global, of the current financial and economic crisis in the United States." It was established as part of the Fraud Enforcement and Recovery Act of 2009. The commission consisted of private citizens with expertise in economics and finance, banking, housing, market regulation, and consumer protection. They examined and reported on "the collapse of major financial institutions that failed or would have failed if not for exceptional assistance from the government." News Dissector DANNY SCHECHTER is a journalist, blogger and filmmaker. He has been reporting on economic crises since the 1980's when he was with ABC News. His film In Debt We Trust warned of the economic meltdown in 2006. He has since written three books on the subject including Plunder: Investigating Our Economic Calamity (Cosimo Books, 2008), and The Crime Of Our Time: Why Wall Street Is Not Too Big to Jail (Disinfo Books, 2011), a companion to his latest film Plunder The Crime Of Our Time. He can be reached online at www.newsdissector.com.

EVIDENCE-BASED PRACTICE IN NURSING & HEALTHCARE

Develop the skills and knowledge you need to make evidence-based practice an integral part of your clinical decision making and everyday nursing practice with Evidence-Based Practice in Nursing & Healthcare. Written in a friendly, conversational style, this Third Edition of the authors' gold standard textbook covers all the information you need to use evidence-based practice to improve patient outcomes. Real world examples and meaningful strategies in every chapter show you how to take a clinical issue from inquiry to a sustainable solution that drives a preferred standard of care. Enhance your understanding of the EBP process through Making EBP Real features at the end of each unit that present real world case stories and EBP Fast Facts that highlight important points from each chapter. Master the content of the course with critical appraisal checklists, evaluation tables, and synthesis tables. Further develop evidence-based practice knowledge and skills using handy web alerts that direct you to helpful Internet resources. Take your learning beyond the book with a wide range of online resources, including the American Journal of Nursing EBP Step-by-Step Series, which provides a real-world example of the EBP process, plus learning objectives, journal articles, and checklists, templates, and evaluation tables.

THE POLITICS OF EVIDENCE (OPEN ACCESS)

FROM EVIDENCE-BASED POLICY TO THE GOOD GOVERNANCE OF EVIDENCE

Taylor & Francis The Open Access version of this book, available at <http://www.tandfebooks.com/>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 3.0 license. There has been an enormous increase in interest in the use of evidence for public policymaking, but the vast majority of work on the subject has failed to engage with the political nature of decision making and how this influences the ways in which evidence will be used (or misused) within political areas. This book provides new insights into the nature of political bias with regards to evidence and critically considers what an 'improved' use of evidence would look like from a policymaking perspective. Part I describes the great potential for evidence to help achieve social goals, as well as the challenges raised by the political nature of policymaking. It explores the concern of evidence advocates that political interests drive the misuse or manipulation of evidence, as well as counter-concerns of critical policy scholars about how appeals to 'evidence-based policy' can depoliticise political debates. Both concerns reflect forms of bias - the first representing technical bias, whereby evidence use violates principles of scientific best practice, and the second representing issue bias in how appeals to evidence can shift political debates to particular questions or marginalise policy-relevant social concerns. Part II then draws on the fields of policy studies and cognitive psychology to understand the origins and mechanisms of both forms of bias in relation to political interests and values. It illustrates how such biases are not only common, but can be much more predictable once we recognise their origins and manifestations in policy arenas. Finally, Part III discusses ways to move forward for those seeking to improve the use of evidence in public policymaking. It explores what constitutes 'good evidence for policy', as well as the 'good use of evidence' within policy processes, and considers how to build evidence-advisory institutions that embed key principles of both scientific good practice and

democratic representation. Taken as a whole, the approach promoted is termed the 'good governance of evidence' – a concept that represents the use of rigorous, systematic and technically valid pieces of evidence within decision-making processes that are representative of, and accountable to, populations served.

MORE EVIDENCE THAT DEMANDS A VERDICT

HISTORICAL EVIDENCES FOR THE CHRISTIAN SCRIPTURES

SPANISH EDITION. This compilation of historical evidence shows the credibility of the Bible and Jesus Christ as the Messiah and the Son of God.
