Rainbow's Shadow and the Tablets of Fate

Author House Rainbows Shadow and the tablets of fate is an adventure/fantasy tale about two novels, Rainbow Alley and The Sorcerers Shadow which have been mysteriously melded together creating an alternative dimension that has begun to write itself. The first novel, Rainbow Alley, is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson, Will Collins. The second novel, The Sorcerers Shadow is an adventure filled novel full of evil, sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother, Bryan Collins. As these two novels unify, they become more than mere pages, as a blend of good and evil begin to emerge into reality. Rainbow Alley is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger. It can only be accessed through a golden portal by bringing four critical elements together. One magical night, as the four elements are sought to come together to gain access to Rainbow Alley, the unthinkable happens. By accidentally placing The Sorcerers Shadow novel underneath the Rainbow Alley novel during the joining of only three of the four critical elements, Bryan has unknowingly set off the melding of these two stories. This creates their access to a new story and a land unlike anything the boys could ever imagine. However, this access would prove to be near fatal for Grandpa Joe, as he is stricken by a mythical force that sends him into a mysterious coma. Will and his best friend and neighbor, Jimmy Foster, set off on a journey, through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land, Will is driven by a voice, claiming to show him the way to heal his grandfather. What the boys encounter is incomprehensible, as they experience a blend of paradise, infiltrated by evil, sorcery and mayhem first hand.

Rainbow's Shadow and the Covenant of Wisdom

AuthorHouse Rainbows Shadow and the Covenant of Wisdom picks up where Rainbows Shadow and the Tablets of Fate leaves off. Will, Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo. With his head spinning like a top and dreams of his grandfather back in full force, Will is convinced he is being called back to Rainbow Alley for something big. He has secretly tried to gain access back into the portal for months, and his failed attempts to open the vortex have frustrated him beyond belief. Convinced the portal is permanently closed, Will sits in his hospital room confused. It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley. Little did he know he had provided a way for evil to rejuvenate. As he admires the shiny black stone he finishes reading yet another Sorcerers Shadow novel entitled The Pirates Revenge. With the book resting up against the stone and another novel entitled The Island Where Magic Began, it only takes a few seconds for the evil forces of the Sorcerers Shadow to emanate from the stone and open the portal. As the two novels meld together and the portal opens, Will finds himself confronted by an eccentric messenger who instructs him to return the stone. Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise. Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure. Their mission at first is to save Bryan but quickly transforms into a quest for all mankind.

Rainbow's Shadow and the Other Side of Paradise

AuthorHouse We conclude the Rainbow's Shadow trilogy with a journey into the Other Side of Paradise. Faced with the ultimate decision, Will has to choose between true paradise or chasing a madman into the other side. The decision is easy. His brothers' soul and the ability to eliminate evil is motivation enough to forego experiencing paradise. Only one destination is at hand. He has to enter the belly of the beast and he knows it. Accompanied by his buddy Jimmy Foster, Will sets out on a journey unlike anything they have witnessed. Not only have they agreed to travel through the ten spheres of the other side, they have also committed to eliminate Malkuth once and for all. A total eclipse of the sun symbolizes Malkuth's ascension as Will's ultimate purpose emerges. He has to rise to the challenges which confront him. Malkuth doesn't go easy as he assembles armies beyond expectations. It takes faith and a unique visit to Writers

Block to energize Will and his forces as they endeavor to cleanse the book of souls for all mankind. The quest to eliminate evil drives him. But, it's his perseverance and the forerunner's legacy which elevate him into iconic leadership.

In the Shadow of a Rainbow: The True Story of a Friendship Between Man and Wolf

W. W. Norton & Company In wilderness British Columbia, a young Indian and a wild wolf form a close, loving relationship.

Shadows Point to Rainbows

TEACH Services, Inc. Down through history, dogs have been great friends to humans. Dog owners know how remarkably dogs can adapt. They are intelligent, compassionate, loyal, and protective. **Shadows Point to Rainbows: An Unwanted Dog Becomes an Injured Boy's Best Friend** is a tribute to one German shepherd, who was providentially assigned to a young man living in north-central Oregon. With a tap at the door, "Champion" came into young Jed Franklin's life. His mother faithfully recounts how this loving and faithful friend stood by his master, helping him recover from a life-threatening, life-changing accident when he was eight years old so he could grow into manhood. This touching and faith-building story about a gift of God wrapped in fur was written to share lessons and encouragements from the providential events of the life of a boy growing up with his dog. Rather than withdrawing into himself, the young man was able to see the rainbows of life that follow the clouds.

Rainbow in the Flames

A Tragic Fire, a Bow of Promise, a Love of the Lasting Kind

Inspiring Voices With a sickening dread Linda suddenly realizes that she holds little Jed's survival in her own burned hands. The inferno that exploded their quiet world has left her eight-year-old son with severe burns over more than half of his body, most of them third degree. But with neither vehicle nor phone how will they escape from the remote mountain? **Rainbow in the Flames** is not only the touching survival story of young Jed Franklin's courageous uphill battle, physically and emotionally, from a severe burn injury, but it also includes the struggle of his parents to relate to their life-altering reality. Laugh and cry with the Franklin Family as they take their first steps toward healing. "Once in a great while I stumble onto a great book. One that celebrates life and courage and hope and constancy, parenthood overcoming overwhelming obstacles, and true enduring marital love. Linda Franklin's **Rainbow in the Flames** is just such a treasure to read." -Joe L. Wheeler, Ph.D. Editor/Compiler of 71 books including several series: **Christmas in My Heart**, **The Good Lord Made Them All**, **Great Stories Remembered**, and **Forged in the Fire**.

The Rainbow Bridge

Rainbows in Art, Myth, and Science

Penn State Press Venerated as god and goddess, feared as demon and pestilence, trusted as battle omen, and used as a proving ground for optical theories, the rainbow's image is woven into the fabric of our past and present. From antiquity to the nineteenth century, the rainbow has played a vital role in both inspiring and testing new ideas about the physical world. Although scientists today understand the rainbow's underlying optics fairly well, its subtle variability in nature has yet to be fully explained. Throughout history the rainbow has been seen primarily as a symbol—of peace, covenant, or divine sanction—rather than as a natural phenomenon. Lee and Fraser discuss the role the rainbow has played in societies throughout the ages, contrasting its guises as a sign of optimism, bearer of Greek gods' messages of war and retribution, and a symbol of the Judeo-Christian bridge to the divine. The authors traverse the bridges between the rainbow's various roles as they explore its scientific, artistic, and folkloric visions. This unique book, exploring the rainbow from the perspectives of atmospheric optics, art history, color theory, and mythology, will inspire readers to gaze at the rainbow anew. In the Shadow of a Rainbow

Finding Goodness in Grief

Independently Published A rainbow is often considered to be a sign of a promise from God. I believe most of us find ourselves going through life in the shadow of a rainbow. We live our day to day circumstances believing in faith of the promises God has for us, while enduring the shadows. God's rainbows are still promises that He has our best in mind no matter what the shadows we face. To live life in the shadow of a rainbow is to hold a deep understanding of a promise and even catch glimpses of the promise in between the rainfalls of life. This book is a collection of the promises, reflections, and love that God has allowed me to see while walking through my shadows of the rainbows in my life. My prayer is that they encourage, strengthen, and empower you as you walk through yours.

Rainbow Rock

Speaking Volumes Caught in a web of illicit drug dealing and murder, Frank Silver Shore embarks on a quest to find who killed his friend Gene Darveaux and track down a satchel of drug payment money hidden by Darveaux at a place called Rainbow Rock. In a deadly cat-and-mouse game with Gene's killers, Frank joins forces with grizzled Lakota lawman Al Twocrow and intrepid Hot Springs Star reporter Maria Tager in a race to find the hidden cash and solve Gene's murder. But just where is this mysterious Rainbow Rock? Is it in the Fairburn Agate fields that Frank and Gene explored when they were kids, or is it somewhere in the Sacred Black Hills? Over a taut 3-day period in the Winter of 1955, the story behind the missing drug money and why Gene was killed come into focus for Frank, Maria and Twocrow as they deal with both the killers and the rugged Black Hills terrain to solve the mystery of Rainbow Rock.

Shadow's Rise

Return of the Cabal

Joseph Bailey In a world where beliefs are real, actualized by will, expressed by intent, Yip Chi Chuan, a young martial and spiritual ascetic, flees as the only home he has ever known, the ancient monastery of the Priests of K'un Lun, is destroyed by a newly ascendant extradimensional evil. Cast out and alone, Yip strikes out on a quest spanning the breadth of his home world of Ea'ae and into the greater macroverse beyond in an attempt to unseat an all-consuming Darkness rooted in his once vaunted Order's distant past. Will Yip, the last of his kind to walk the wide world beyond his fallen sanctuary, succeed where his mighty brethren failed in Ages past? Unfortunately for Yip, the answer appears all too clear.... Without the guidance and teachings of his lineage, pursued by malevolent supernatural agents of the Cabal, unable to fully defend himself in a world steeped in magic, his own quest may fail before it ever begins. Unfazed by his own limitations, guided by his inner vision and direct experience of the energies of life, the radiant chi suffusing and enlivening the world all around, he is determined to triumph where others have faltered. To win forward, he will need help... but first he must survive. A blend of Eastern mysticism and Western fantasy, Shadow's Rise is the first book of the Chronicles of the Fists, an epic trilogy recounting Yip's adventures against all odds.

The Shadow of Rainbow

Writersworld Limited The Shadow of Rainbow is a collection of poems inspired by the author's view of current day Africa and its place in the world today vis-a-vis the developed world. The collection covers diverse topics, including African politics, relationships between states, love, friendship and war. It is a glimpse of the world seen from the point of view of an African passionate about inspiring the creation by Africans of a more just future for Africa.

Mile Post 104 and Beyond

We Have Walked Together in the Shadow of the Rainbow

Trafford on Demand Pub Bob Wells grew up at his father's fishing lodge on Windigoostigwan Lake in Ontario, surrounded by lakes and forests. In "Mile Post 104 and Beyond," Wells shares an anecdotal collection of reminiscences and short stories about life in the Canadian bush-where the modern world was forgotten. Every summer, the Wells family's fishing lodge hosted Americans who came for the bountiful fishing, home-cooked meals, and good service. Wells's ease in interacting with visitors and his optimistic outlook on life resulted in a wealth of knowledge about not only the guests, but also the native people. From Jack Ogama, a fur trapper, fishing guide, and consummate storyteller whose grandfather escaped to Canada after the Battle of the Little Big Horn to Inge, one of the first female fire observers who climbed a hundred-foot fire tower daily to search for smoke, Wells's stories highlight an eclectic and unforgettable group of characters. "Mile Post 104 and Beyond" shares one man's love of nature and carries a strong message for all of us to respect our natural world. "Bob Wells brings us some glimpses, both insightful and entertaining, of a Canada that was ..." -Gerard Wyatt, Professor Emeritus, Queen's University at Kingston

Rainbow's Shadow and the Tablets of Fate

In Celtic mythology a wolf swallows the sun and brings on the night. When she set out that morning she planned only to deliver bread to a neighbor's mother, and mail a postcard to the man she loved. But she is left stranded in the Far Quarter, under the unbearable heat of the sun, with no other guide than the Wolf. Trusting he'll take her straight home she goes with him, only to be taken into a storm that changes everything she believes in. Lending a nod to the story of Little Red Riding Hood, *The Sun* is a poetic and visually symbolic novella about letting go of the pain of past love and opening oneself to trust the new.

Spinoza's Algebraic Calculation of the Rainbow & Calculation of Chances

Edited and Translated with an Introduction, Explanatory Notes and an Appendix by Michael J. Petry

Springer Science & Business Media **A. THE TEXT** The main importance of these two treatises lies in the insight they provide into Spinoza's conception of the relation between mathematics and certain disciplines not touched upon elsewhere in his major writings. The mathematics they involve are not the as those of the *Ethics* however, and the precise connection same between the geometrical order of this work and these excursions into optics and probability is by no means obvious. Add to this difficulty the knotty problems presented by their editorial history, dating and scientific background, and it is not perhaps surprising that in spite of the fact that they provide such an excellent illustration of Spinoza's reaction to certain important developments in the history of physics and mathematics, they should not, so far, have attracted much attention. They were first published in 1687 by Levyn van Dyck (d. 1695), official printer to the town council in The Hague. Printing anything by Spinoza was not without its risks, and it is probably significant that during the same year van Dyck should also have published a lengthy and elaborate refutation of Spinozism by the pious and eccentric physician J. F. Helvetius. Spinoza's name was omitted from the title-page, possibly because the editor or publisher thought that his reputation as an atheist might prejudice the sale of the booklet, and it was not until 1860 that the Amsterdam bookseller Frederik Muller (1817-1881) identified him as its author.

The Girl with the German Piano -

The Rainbow Bridge and the Shadow of the Serpent

"The Rainbow Bridge and the Shadow of the Serpent", third volume of the trilogy "The Girl with German Piano", is a book full of scientific, mythological and philosophical information; glorious music; unusual adventures; a tearful farewell to the German piano and a lot of magic and monsters. Violet, our Girl with the German Piano, is back in the Kingdom of the Seven Moons, taken to dark, gloomy caves and chambers where sadness reigns. Our plucky heroine is now thirteen, on the verge of becoming a young woman, but you will be happy to learn that she has lost none of her insatiable curiosity and still wants to save the world and everyone in it. And how can she fail with the Maestro and music on her side, this time helped along by dance? Once again, Sergio Luiz Pereira shows us the healing, universal power of music and love in our connected worlds. Viva Violet!

The Rudder

The Welcome hour

Shadow of the Rainbow

Createspace Independent Pub **The Hansens seemed to be a contented, happy family when the kids were young. Brandon, the oldest, was the perfect son, continuing the tradition of being a great athlete, like his father and grandfather before him. The twins, Jaden and Jenny, revered their older brother and sought to emulate him. As Brandon started high school and the twins began middle school, things in the idyllic American family began to change. The siblings had typical teenage issues in school, as well as with their parents, but it was more than that. Fighting, drugs, and suspensions had never been in their plans. Picture-perfect on the outside, the family was jolted when Jaden, who wanted nothing more than to please his dad and older brother, failed miserably as he began to discover his sexual identity. If it hadn't been for the support of his sister and a neighbor, Jaden might have tried to end his life long before he did. While dealing with Jaden, his father was forced to confront issues neither imagined nor expected. Live through Jaden's story as he struggles to understand the ramifications of his father's haunted past and continues to forge on in his quest of the "rainbow."**
