THE BOOK OF ULTIMATE TRUTHS

Random House "He had walked the earth as Nostradamus, Uther Pendragon, Count Cagliostro and Rodrigo Borgia. He could open a tin of sardines with his teeth, strike a Swan Vesta on his chin, rope steers, drive a steam locomotive and hum all the works of Gilbert & Sullivan without becoming confused or breaking down in tears. He died, penniless, at a Hastings boarding house, in his ninetieth year. His name was Hugo Artemis Solon Saturnicus Reginald Arthur Rune, and he was never bored. Hailed as the 'guru's guru', Rune penned more than eight million words of genius including his greatest work, The Book of Ultimate Truths. But vital chapters of The Book were suppressed, chapters which could have changed the whole course of human history. Now, seventeen-year-old Cornelius Murphy, together with his best friend Tuppe, sets out on an epic quest. Their mission - recover the missing chapters. Re-publish The Book of Ultimate Truths. And save the world."

RETROMANCER

Hachette UK There is big and evil magic abroad upon the face of the Earth. History has been changed. The Germans have won WWII. America is a nuclear wasteland. NECROPHENIA

Hachette UK **ONE IN EVERY THREE PEOPLE LIVING IS ACTUALLY DEAD!** It is a matter of historical record that during the latter part of World War II, England's top-secret Ministry of Serendipity enlisted the services of arch-magician Aleister Crowley to create a Homunculus. Why? Well that's a long story, spanning almost seven decades as it follows the life and career of Tyler, rock star, private eye - and notable for the fact that he almost saved Mankind. The cast of millions also includes ukulele maestro George Formby, Mick Jagger, Mama Cass, Elvis Presley and Lazlo Woodbine. And Tyler's brother, Andy, who impersonates animals (and who single-handedly brought about the Swinging Sixties). And a lady named Clara from Croydon, who unlocked the meta-phenomena of the Multiverse. And a corner shopkeeper from Brentford, who created a sitting room for God. And a great many living dead. SPROUT MASK REPLICA

Corgi It's all down to the butterfly His great-grandfather died at the Battle of Little Big Horn. He wasn't with Custer though. He was holding a sprout-bake in the field next door and went over to complain about the noise. His grandfather was a preacherman, who wore weighted shoes in the pulpit to avoid any embarrassing levitations during moments of extreme rapture. His father practised body-modification and once shinned up the inside of a drainpipe to win a bet with his mum. And then there was him. And he was the Chosen One. He had THE GIFT. You've heard of the Butterfly of Chaos Theory? The one that flaps its wings in the Andes and causes a thunderstorm in Penge? Well, he

could do that. Shift a biro in his top pocket and cause the Tokyo Stock Exchange to rise twenty two points. Put a paperclip on his ear and make England win the World Cup. And with a gift like that, imagine what you could do. You could change this world into paradise. Or you could really screw up. **BIG TIME!**

WAITING FOR GODALMING

Doubleday UK God is dead. He died in mysterious circumstances while on a fishing trip to Norfolk, leaving a wife, three children and a great deal of valuable property. According to God's last will and testament, he left his beloved planet Earth to his youngest son, Colin. Which seems mightily suspicious as the meek were expecting to inherit it. Colin is all for flogging it off to the highest bidder, a chum of his called Lou Cipher. God's wife is all for calling in a private eye, to expose the truth about her husband's sudden death. And if you're going to call in a private eye, then there's only one man you can call. And that's Lazlo Woodbine. This could well be the great detective's biggest challenge ever. And with Laz on the case you know you can expect a lot of gratuitous sex and violence, a trail of corpses leading down an alleyway, a good deal of toot being talked in bars and a really spectacular rooftop ending.

THE GARDEN OF UNEARTHLY DELIGHTS

Random House It was something to do with the cycles of history, the way great civilizations rise and fall. Few people noticed the changes at first, and by the time everyone realized, it was too late. Earth had left behind the age of science and reason and moved into a time of myth, legend, wizardry, and heroes.

THE JAPANESE DEVIL FISH GIRL AND OTHER UNNATURAL ATTRACTIONS

Hachette UK The pickled Martian's tentacles are fraying at the ends and Professor Coffin's Most Meritorious Unnatural Attraction (the remains of the original alien autopsy, performed by Sir Frederick Treves at the London Hospital) is no longer drawing the crowds. It's 1895; nearly a decade since Mars invaded Earth, chronicled by H.G. Wells in THE WAR OF THE WORLDS. Wrecked Martian spaceships, back-engineered by Charles Babbage and Nikola Tesla, have carried the Queen's Own Electric Fusiliers to the red planet, and Mars is now part of the ever-expanding British Empire. The less-than-scrupulous sideshow proprietor likes Off-worlders' cash, so he needs a sensational new attraction. Word has reached him of the Japanese Devil Fish Girl; nothing quite like her has ever existed before. But Professor Coffin's quest to possess the ultimate showman's exhibit is about to cause considerable friction amongst the folk of other planets. Sufficient, in fact, to spark off Worlds War Two.

KNEES UP MOTHER EARTH

Hachette UK Magic, time travel and football: not exactly your everyday combination - but the fate of mankind hangs upon the result. Of course. There's big trouble in little Brentford. Property developers are planning to destroy the borough's beloved football ground and build executive homes on the site. Shock! Outrage! Horror! The lads of The Flying Swan, Brentford's most celebrated drinking house, take up the challenge. Surely with these stalwarts working for the cause, Brentford's football ground can be saved? Would it were so, but this is Brentford and ancient forces of evil are forever stirring in the borough: Old Testament terrors, Lovecraftian loathsomes and beasties from the bottomless pit. And if the team make it through to the final, it's going to be a match that no one will forget. What with the fate of mankind hanging upon the result. And everything.

NARRATIVES FROM BEYOND THE UK REGGAE BASSLINE

THE SYSTEM IS SOUND

Springer Nature This book explores the history of reggae in modern Britain from the time it emerged as a cultural force in the 1970s. As basslines from Jamaica reverberated across the Atlantic, so they were received and transmitted by the UK's Afro-Caribbean community. From roots to lovers' rock, from deejays harnessing the dancehall crowd to dub poets reporting back from the socio-economic front line, British reggae soundtracked the inner-city experience of black youth. In time, reggae's influence permeated the wider culture, informing the sounds and the language of popular music whilst also retaining a connection to the street-level sound systems, clubs and centres that provided space to create, protest and innovate. This book is therefore a testament to struggle and ingenuity, a collection of essays tracing reggae's importance to both the culture and the politics of late twentieth and early twenty-first century Britain.

THE WITCHES OF CHISWICK

Hachette UK We have all been lied to. A great and sinister conspiracy exists to keep us from uncovering the truth about our past. Have you ever wondered how Victorians dreamed up all that fantastic futuristic fiction? Did it ever occur to you that it might just have been based upon fact? That **THE WAR OF THE WORLDS** was a true account of real events? That Captain Nemo's Nautilus even now lies rusting at the bottom of the North Sea? That there really was an invisible man? And what about the other stuff? Did you know that Queen Victoria had a sexual relationship with Dr Watson? Or that the elephant man was a product of an E.T./human hybridisation programme? Or that Jack the Ripper was a terminator robot sent from the future? Read on: and learn how a cabal of Victorian Witches from the Chiswick Townswomen's Guild, working with advanced Babbage super-computers, rewrote 19th Century history, and how a 23rd Century boy called Will Starling uncovered the truth about everything.

REPRESENTATIONS OF WORKING-CLASS MASCULINITIES IN POST-WAR BRITISH CULTURE

THE LEFT BEHIND

Routledge This book presents an analysis of representations of white, heterosexual, working-class masculinities in

British culture between 1945 and 1989 to trace the development of the sociocultural and material conditions that shaped the masculinities which are helping to shape contemporary culture. This book seeks to fan the 'spark of hope' in the past that informs our present. The period which saw the establishment of the welfare state and the construction and breakdown of the post-war consensus in British politics was of great significance in the formation and maintenance of working-class masculinities and their correspondent representations. The author engages with a variety of cultural texts across various modes and media including films (Alfie), plays (Don't Look Back in Anger), television (Boys from the Blackstuff), and music (The Beatles), and employs the analysis of the representation of working-class masculinities as a lens through which to examine a range of historical and cultural moments. This book reinstates class as a central precept in the study of British cultural representations and offers a timely intervention in ongoing debates around class and gender identities in Britain. The book will be key reading for students and researchers with interests in twentieth-century social and cultural British history, masculinities and gender studies, twentieth-century British literature, British television, and cultural studies more broadly.

THE MEDICAL DIRECTORY FOR IRELAND

REFERENCE GUIDE TO CHRISTIAN MISSIONARY SOCIETIES IN CHINA: FROM THE SIXTEENTH TO THE TWENTIETH CENTURY

FROM THE SIXTEENTH TO THE TWENTIETH CENTURY

Routledge This comprehensive guide will facilitate scholarly research concerning the history of Christianity in China as well as the wider Sino-Western cultural encounter. It will assist scholars in their search for material on the anthropological, educational, medical, scientific, social, political, and religious dimensions of the missionary presence in China prior to 1950. The guide contains nearly five hundred entries identifying both Roman Catholic and Protestant missionary sending agencies and related religious congregations. Each entry includes the organization's name in English, followed by its Chinese name, country of origin, and denominational affiliation. Special attention has been paid to identifying the many small, lesser-known groups that arrived in China during the early decades of the twentieth century. In addition, a special category of the as yet little-studied indigenous communities of Chinese women has also been included. Multiple indexes enhance the guide's accessibility.
