GOOD ECONOMICS FOR HARD TIMES

BETTER ANSWERS TO OUR BIGGEST PROBLEMS

Penguin UK FROM THE WINNERS OF THE 2019 NOBEL PRIZE IN ECONOMICS 'Wonderfully refreshing . . . A must read' Thomas Piketty In this revolutionary book, prize-winning economists Abhijit V. Banerjee and Esther Duflo show how economics, when done right, can help us solve the thorniest social and political problems of our day. From immigration to inequality, slowing growth to accelerating climate change, we have the resources to address the challenges we face but we are so often blinded by ideology. Original, provocative and urgent, Good Economics for Hard Times offers the new thinking that we need. It builds on cutting-edge research in economics - and years of exploring the most effective solutions to alleviate extreme poverty - to make a persuasive case for an intelligent interventionism and a society built on compassion and respect. A much-needed antidote to polarized discourse, this book shines a light to help us appreciate and understand our precariously balanced world.

THE AG BOYS

iUniverse An unforgettable look at an obscure part of the deep south just before the dawning of the Civil Rights movement and the

turbulent 1960s would forever change it forever. A unique blend of humor, pathos, and bitter reality throws a harsh and revealing light on this this strange time and the people who were a part of it. Examine a place where the past is never past, and history hangs over the hot dirt roads and swamps like a morning mist. Examine a now forgotten world where men could die over a load of wet cotton, a cock fight, a fence line, a missing hog, or a romantic promise not kept. A place where the past lies like a rattlesnake under a bush waiting to strike. A world where little boys had hookworms and old black men sold Bolita. A world where a dream book could tell the future and a root doctor could cure an illness or fix a romance gone bad. It is a strange and mysterious world, full of fear and superstitions, strange people and strange customs. It is a world where black magic and old time religion go hand in hand. A world of tobacco fields and outhouses, pulpwood and moonshine stills, juke joints and whore houses. In the fall of 1959, a small group of frightened young high school boys gather in the late afternoon twilight to become a part of their local chapter of the Future Farmers of America. However, this was to be much more than a simple initiation. This was to become more than just one more school function. This night would change all their lives as they have to decide what price was too much to pay for being one of The Ag Boys.

ONE TOUGH TEACHER AND THE ART OF PERFECTION

Simon and Schuster Strings Attached is the story of a brilliant, but ferocious music teacher who came to be known as Mr K. A Ukrainian immigrant who survived an abusive childhood to become a noted resident and teacher, Mr K used music as a means of escape. The authors, who spent their childhoods in the late 60s and 70s, rehearsing and playing together as young musicians, bring the extraordinary character of Mr K to life - from his days as a forced Nazi labourer; to his home life as a husband to an invalid wife; to his heart-breaking search to find his missing daughter; to the terrifying challenges he hurtled from behind the music stand.
