## **PRAYER IS A POWERFUL WEAPON**

NavPress Juggling motherhood and her job as a real-estate agent, Elizabeth Jordan wishes her husband could help more around the house. But Tony's rising career as a pharmaceutical salesman demands more and more of his time. With a nice home in the suburbs and a lovely young daughter, they appear to have it all—yet they can't seem to spend time together without fighting. Hoping for a new listing, Elizabeth visits the home of Clara Williams, an elderly widow, and is both amused and uncomfortable when Clara starts asking pointed questions about her marriage and faith. But it's Clara's secret prayer room, with its walls covered in requests and answers, that has Elizabeth most intrigued . . . even if she's not ready to take Clara's suggestion that she create a prayer room of her own. As tensions at home escalate, though, Elizabeth begins to realize that her family is worth fighting for, and she can't win this battle on her own. Stepping out in blind faith, putting her prayers for her family and their future in God's hands, might be her only chance at regaining the life she was meant for.

## **UNDERSTANDING THE FIRST HALF OF THE BIBLE**

---

Zondervan Academic Most Christians don't quite know what to do with the first half of the Bible. Some are fascinated by the historical sweep of the Old Testament. Others are blessed by its poetry. Still others focus on its prophecies. But what are the heart and soul of

the Old Testament? In *From Creation to the Cross*, Al Baylis is a guide who shares with us his love for, and profound understanding of, the Old Testament. He walks us through the Old Testament, pointing out along the way perspectives and insights that leave us with a new, personal understanding of these thirty-nine books -- and more importantly, of the God of the Old Testament, who lovingly prepared the way before sending his Son. As Bruce Wilkinson puts it in the Foreword, "I could almost picture (Baylis) as a seasoned rabbi surrounded by a huddle of eager listeners. He doesn't simply teach the Old Testament; it's as if he personally reminisces through it." *From Creation to the Cross* is one of those rare books that speaks to a wide range of readers, from high school students to homemakers to college professors. This revised and expanded edition of *On the Way to Jesus* makes this unique and highly readable approach to the first half of the Bible available once again. It is ideally suited for use in Bible study groups.

### A DAILY DEVOTIONAL

---

---

Hachette UK Bestselling author Bear Grylls has survived a free-fall parachute accident that left him with a broken back, possibly unable to walk again; falling down a mountain in the Rockies, severing a finger in the Vietnam jungle, a broken shoulder in Antarctica. He passed the gruelling training to join the SAS, crossed the North Atlantic in an open inflatable boat, and held the highest ever open-air formal dinner party, in a balloon at 25,000 feet. But the hardest thing he has ever had to face, he says, is the death of his father. It was then, age 25, that he found what he describes in an interview with the Telegraph as 'a really lovely quiet faith that has been a powerful thing in our lives'. As he wrote in GQ magazine, 'Faith doesn't mean you have to be especially "religious". But, in a nutshell, my faith tells me that I am known, that I am secure and that I am loved - regardless of the storms I may find myself in from time to time, regardless of how often I fall and fail.' For the first time, in this open, brave and honest book, Bear reveals the inspiration that helps him to stand strong and find peace each day. These daily readings - exploring themes of friendships, failure, courage, risk, and much more - show us all how to face each day with purpose and power. 'Be brave. Embrace faith wherever you may find it. You have nothing to lose and everything to gain.'
